About

Want to tidy up your Watch List by removing entries you've already viewed or no longer want to see? Follow these simple steps to manage and clear your Watch List easily.

Access your Watch List

Select **Watch List** from the user menu.

The Watch List page displays.

Remove entries
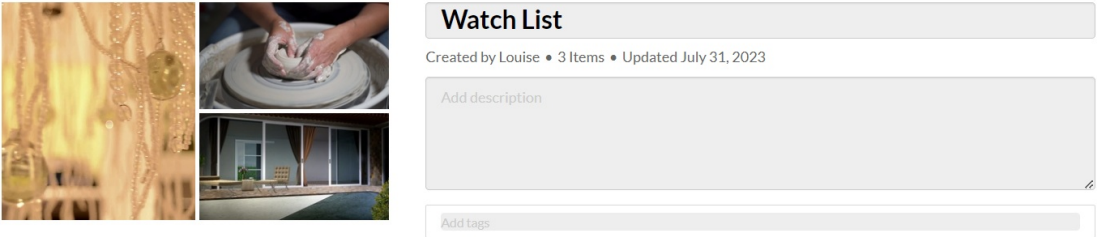

1. On the Watch List page, click **Edit**.

The **Edit** page displays.

Click the **remove icon** (minus sign) next to the entries you want to remove.

2. Click **Save**.

Edit Watch List | Watch List

Cancel   **Save**
