About

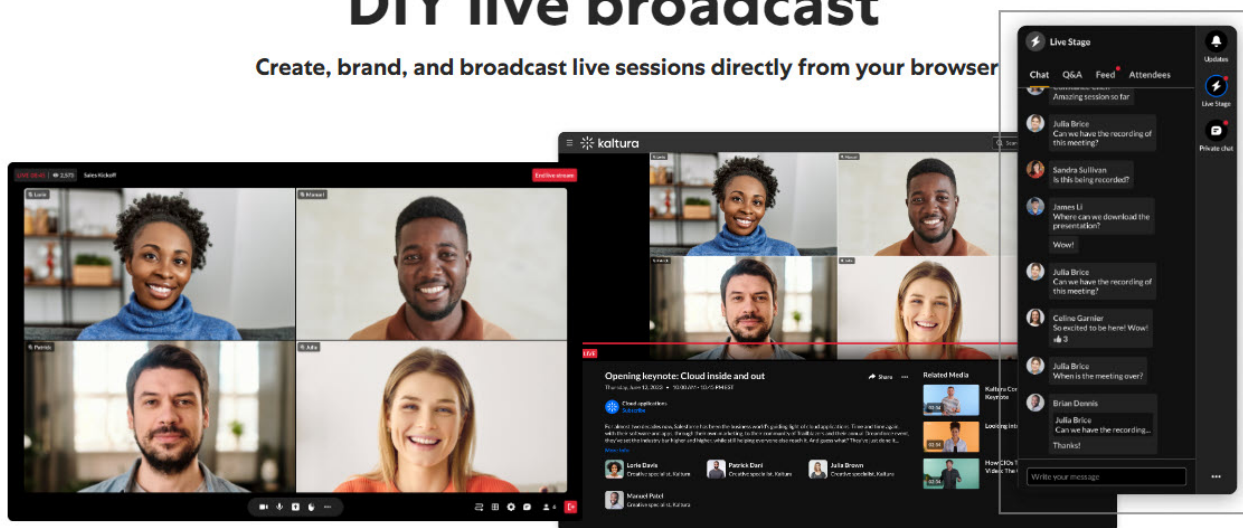

DIY live broadcasts give you the ability to broadcast/webcast a Kaltura live session directly from a Kaltura studio room. Simply create a DIY live broadcast session, then navigate to the Studio room and begin broadcasting.

DIY live sessions include automated transition from live to VOD (meaning, once the live session is finished, the recording is automatically published).

4. Enter the following:
 - Title - A title for your event (char limit is 120).
 - Short description - A description for your event.
 - Start time - The day and time your event will start.
 - End time - The day and time your event will end.
 - Time zone - The time zone for your event. The list of time zones is organized in alphabetical order by time zone name, then city name. This list is searchable and as you start typing characters, a list of matching time zones will populate for you.
5. Choose whether attendees will log into the event with a login link via email (AKA Magic Link), or with an email and password. **This option is only available for Preset event templates and, after creation of event, can only be changed by Kaltura. On Custom event templates, this will be preconfigured by the template.**

6. Click **Create**. The building process begins. This may take a few minutes.

Creating your event

Once complete, the Event page displays with the Overview tab open by default.

The Overview page acts as the home page for this particular event. This page displays the vital details of the event. Information displayed includes:

- Event status - A countdown to when the event will start, "Happening now", or "Ended [time period] ago"
- Event name, scheduled date/time duration, time zone, and description (if provided).
- Agenda at a glance - Displays a list of event sessions, including access to the session page, session analytics, and editing capabilities for each. You may click **Add session*** to add a new session to your event and **Full agenda** to access the Agenda page.
- Speakers - Displays a list of speakers scheduled for the event, including headshot and bio (if provided), registration status, and access to editing capabilities for each. You may click **Invite** to invite a new speaker to the event and **See all** to access the Speakers page.

The Overview page also includes a link to the event site; simply click the blue **Event site** button on the top right corner of the screen. To learn more about your event site, see [Getting to know your event site, session page, and lobby page](#).
