

## Kaltura Webinars - Account setup

This article will describe how to set up your Kaltura Webinars account.

 Clicking **All events** re-directs you to the Kaltura Events Account Home page. In the image below, notice the **All events** button located at the top left corner of the site page.

The Events tab is the default open tab upon navigating to the Kaltura Events Account Home page.

If you are an account owner/admin, you may perform all actions listed in this article. If you are an Event manager, the Team, Analytics, and Integrations tabs are disabled, as well as the Events showcase button and any actions related to events/webinars you are not managing. Please see [Webinar user roles](#) and/or your account owner/admin for further information.

For detailed information on each tab, see the following articles:
