About

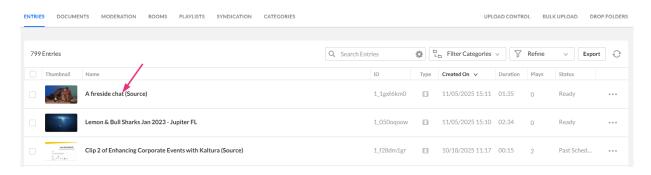

You can remove an entry from a specific category in the Kaltura Management Console (KMC) without deleting it from your account.

Remove an entry from a category

Log into your Kaltura Management Console.
The Entries tab displays as the first page by default.

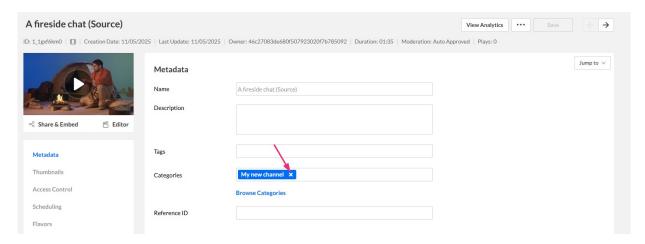

2. Click on the entry name or thumbnail.

The **Metadata** tab displays.

3. Click the \mathbf{x} on the category name to remove the entry from that category.

4. Click Save.
