About

The Team tab allows account owners/admin to add team members, edit team member information, and delete team members.

The Team tab is accessible via the Kaltura Events Home page and is only available to account owners/admin. To learn more about the other tabs on the Kaltura Events Home page, see [Kaltura Events - Account setup](#).

The screenshot shows the Kaltura Team tab interface. On the left is a navigation sidebar with options: Home, Team (selected), Analytics, and Integrations. The main content area is titled "Team" and includes a search bar, a dropdown menu for "All types", and a "14 members" count. An "Add member" button is located in the top right corner. Below this is a table listing team members with columns for Name, Email, Type, and Last login. Each row also includes a three-dot menu icon for actions.
