

Integrations tab

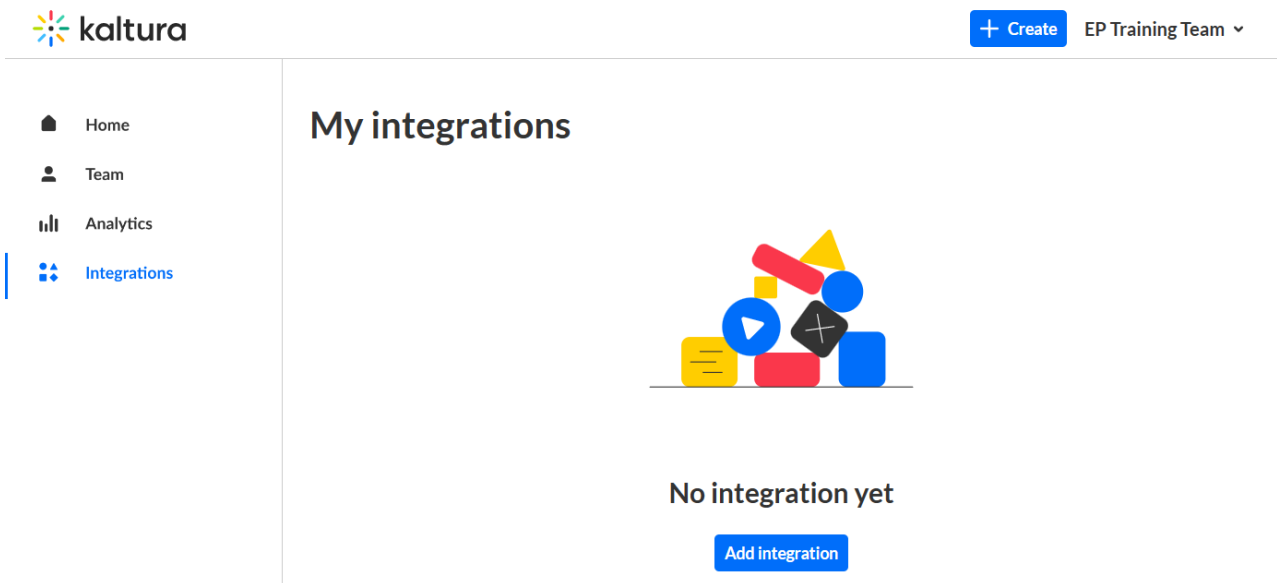

Last Modified on 09/09/2024 2:20 pm IDT

 This article is designated for all users.

About

The Integrations tab provides Account owners/admin the ability to add integrations to Kaltura Events.

The Integrations tab is accessible via the Kaltura Events Home page and is only available to account owners/admin. To learn more about the other tabs on the Kaltura Events Home page, see [Kaltura Events - Account setup](#).

The screenshot shows the Kaltura user interface. At the top left is the Kaltura logo. At the top right, there is a '+ Create' button and the user name 'EP Training Team' with a dropdown arrow. On the left side, there is a navigation sidebar with the following items: Home (house icon), Team (person icon), Analytics (bar chart icon), and Integrations (two puzzle pieces icon, which is highlighted with a blue vertical bar). The main content area is titled 'My integrations'. Below the title is a graphic consisting of various colorful geometric shapes (a yellow square, a red circle, a blue circle, a black square with a white plus sign, a yellow triangle, and a red rectangle). Below the graphic, the text 'No integration yet' is displayed, followed by a blue button labeled 'Add integration'.

For more information on integrations, please see [Integrations with Kaltura Events](#).
