

Events Integrations tab

Last Modified on 04/17/2026 8:26 pm IDT

 This article is designated for all users.

About

The Integrations tab provides account owners/admin the ability to add integrations to Kaltura Events.

How to access the Integrations tab

The Integrations tab is accessible via the Kaltura Events Home page and is only available to account owners/admin. To learn more about the other tabs on the Kaltura Events Home page, see [Kaltura Events Interface Overview](#).

The screenshot shows the Kaltura Events interface. At the top left is the Kaltura logo. To the right of the logo is a '+ Create' button and a user profile 'EP Training Team' with a dropdown arrow. On the left side, there is a sidebar with navigation options: Home, Team, Analytics, and Integrations. The 'Integrations' option is highlighted with a blue bar. The main content area is titled 'My integrations' and features a graphic of various media icons (play button, plus, document, etc.) with the text 'No integration yet' and an 'Add integration' button.

For more information on integrations, please see [Integrations with Kaltura Events](#).
