

Kaltura Virtual Events Integrations tab

Last Modified on 06/15/2026 10:28 pm IDT

 This article is designated for all users.

About

The Integrations tab provides account owners/admin the ability to add integrations to Kaltura Virtual Events.

How to access the Integrations tab

The Integrations tab is accessible via the Kaltura Virtual Events Home page and is only available to account owners/admin. To learn more about the other tabs on the Kaltura Virtual Events Home page, see [Kaltura Virtual Events Interface Overview](#).

The screenshot shows the Kaltura Virtual Events interface. At the top left is the Kaltura logo. At the top right, there is a '+ Create' button and a user profile dropdown for 'EP Training Team'. On the left side, there is a navigation menu with icons and labels for 'Home', 'Team', 'Analytics', and 'Integrations'. The 'Integrations' tab is currently selected. The main content area is titled 'My integrations' and features a graphic of various colored shapes (yellow, red, blue, black) with a play button icon. Below the graphic, the text 'No integration yet' is displayed, followed by an 'Add integration' button.

For more information on integrations, please see [Integrations with Kaltura Virtual Events](#).
