### About

The Integrations tab provides Account owners/admin the ability to add integrations to Kaltura Events.

The Integrations tab is only available to account owners/admin.

The image shows a screenshot of the Kaltura web interface. At the top, there is a navigation bar with the Kaltura logo, a search bar, and user information including a team name. The main content area is titled "My integrations". On the left, there is a sidebar with navigation links: Home, Team, Analytics, and Integrations (which is highlighted with a blue border). The main content area displays a graphic of various digital icons (play button, document, etc.) and the text "No integration yet". A blue "Add integration" button is located at the bottom of this section.

For more information on integrations, please see [Marketo integration for webinars](#) and [HubSpot integration for webinars](#).
