### About

The Integrations tab provides Account owners/admin the ability to add integrations to Kaltura Events.

 The Integrations tab is only available to account owners/admin.

The screenshot shows the Kaltura user interface. At the top left is the Kaltura logo. At the top right, there is a '+ Create' button and a user profile 'EP Training Team' with a dropdown arrow. On the left side, there is a navigation menu with the following items: Home, Team, Analytics, and Integrations (which is highlighted with a blue bar). The main content area is titled 'My integrations' and features a colorful graphic of various icons (play button, plus sign, document, etc.) above the text 'No integration yet' and a blue 'Add integration' button.

For more information on integrations, please see [Marketo integration for webinars](#) and [HubSpot integration for webinars](#).
