

## Getting to know your landing page and webinar site

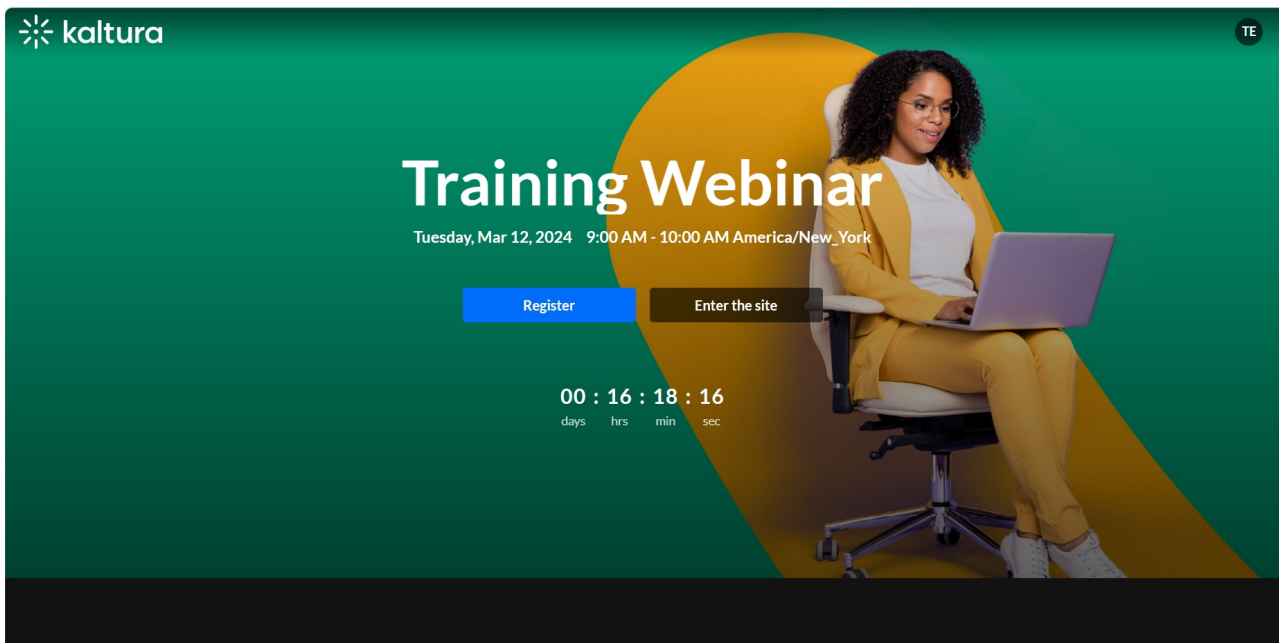

Last Modified on 06/13/2026 1:44 am IDT

 This article is designated for all users.

### Landing page

The Landing page lists the webinar name, start/end date/time, a countdown to the webinar start time, and the webinar description. The page displays an **Enter the site** button that, when clicked, leads to the webinar site. When registration is open, the page also displays a **Register** button for those who have not yet registered for the webinar.

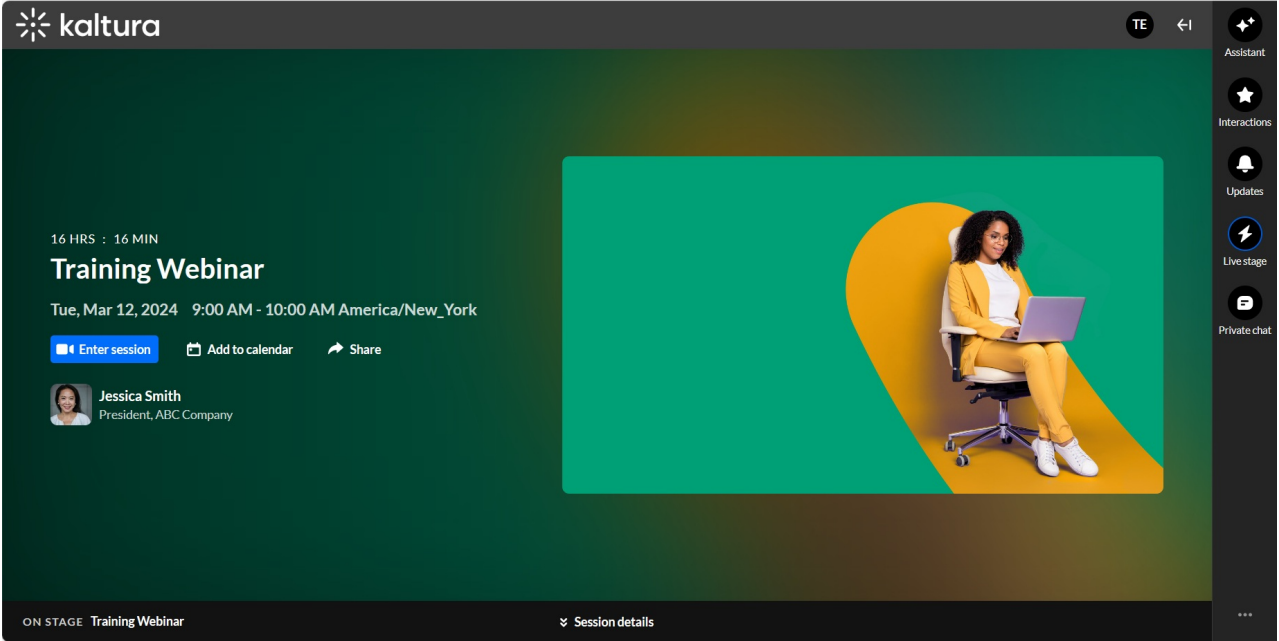

Following is an example of a landing page:

### Webinar site

The webinar site is a website that hosts your webinar content. It has a unique URL. A webinar site is created for each webinar created on Kaltura Virtual Events. The webinar site lists a countdown to the webinar start time, the webinar name, start/end date/time, speakers, and the webinar description. The page displays an **Enter session** button that, when clicked, leads to the Kaltura room. You may click **Add to calendar** to add this webinar to your calendar or **Share** to share this site on socials or via email. Here you may also copy a link to the webinar site.

Following is an example of a webinar site:

The screenshot shows a Kaltura webinar interface. At the top left, the Kaltura logo is displayed. The main content area has a dark green background. On the left side, the text reads: "16 HRS : 16 MIN", "Training Webinar", "Tue, Mar 12, 2024 9:00 AM - 10:00 AM America/New\_York", and three buttons: "Enter session", "Add to calendar", and "Share". Below this is a profile card for "Jessica Smith, President, ABC Company" with a small circular profile picture. On the right side, there is a vertical sidebar with icons for "Assistant", "Interactions", "Updates", "Live stage", and "Private chat". The central video area shows a woman in a yellow suit sitting in a white office chair on a yellow circular rug, using a laptop. At the bottom, a dark bar contains "ON STAGE Training Webinar" on the left, "Session details" with a dropdown arrow in the center, and three dots on the right.
