The Media Gallery page is the landing page for a specific course. Administrators and course instructors can customize the appearance and settings of their Media Gallery. Some of the basic functions are shown below:

1. *Let's Meet* button is available to the administrator or course instructor in case Kaltura Meetings app is enabled.
2. Visit the course.
3. Tabs for *Videos*, *Playlists*, and *About*.
4. *Actions* drop-down menu that offers options (depending on how your Media Gallery has been configured by your administrator).
5. Media available in this Media Gallery.

The media gallery also comes with a new capability allowing administrators and course owners to add a header on top of the page:
