

## Main stage

Last Modified on 08/12/2024 9:32 pm IDT

 This article is designated for all users.

### About

Kaltura's **Main Stage** is an interactive agenda that guides viewers through an event, ensuring nothing is missed. It appears in the side menu with the full agenda, letting viewers easily navigate and stay updated on what's live and what's next.

 This feature is exclusive to [Kaltura Events](#).

The screenshot displays the Kaltura Main Stage interface. On the left, there's a video feed showing two participants, Roger and Grace. On the right, the 'Next Sessions' sidebar lists upcoming events. Callouts point to specific features:

- Date of first session:** Points to 'Thursday, June 12'.
- Session details - click to go to that entry:** Points to the 'Opening keynote: Cloud inside and out' entry.
- Click to open agenda:** Points to the 'Agenda' tab in the sidebar.
- Blue line along entire section shows session has ended:** Points to the blue line under the 'Technology trends: shaping the future enterprise landscape' session.
- Indicator shows session is currently live:** Points to the 'LIVE' indicator for the 'Strategies for corporate social responsibility: impactful enterp...' session.
- Break indication:** Points to the '30 minute break' entry.
- Gray line along entire section shows session hasn't started:** Points to the gray line under the 'Guiding principles for success' session.

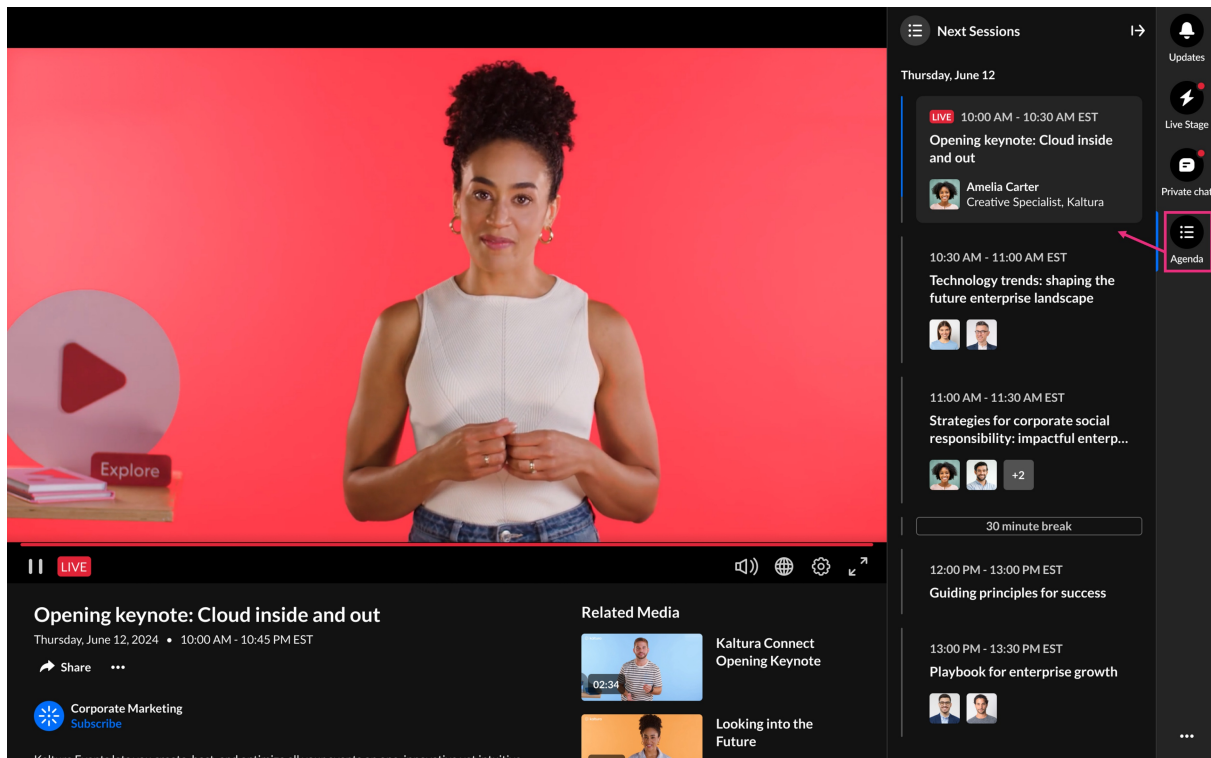

### Prerequisites

- Before you start, make sure the [Channeltv module](#) is enabled.
- For the agenda tab to display, you must have the [Chatandcollaboration module](#) enabled.

### During a session

#### Agenda

When you click the **Agenda** tab in the **C&C (Chat and Collaboration)** panel, it will display a list of all the sessions in that channel, organized by start time, with earlier sessions appearing higher.

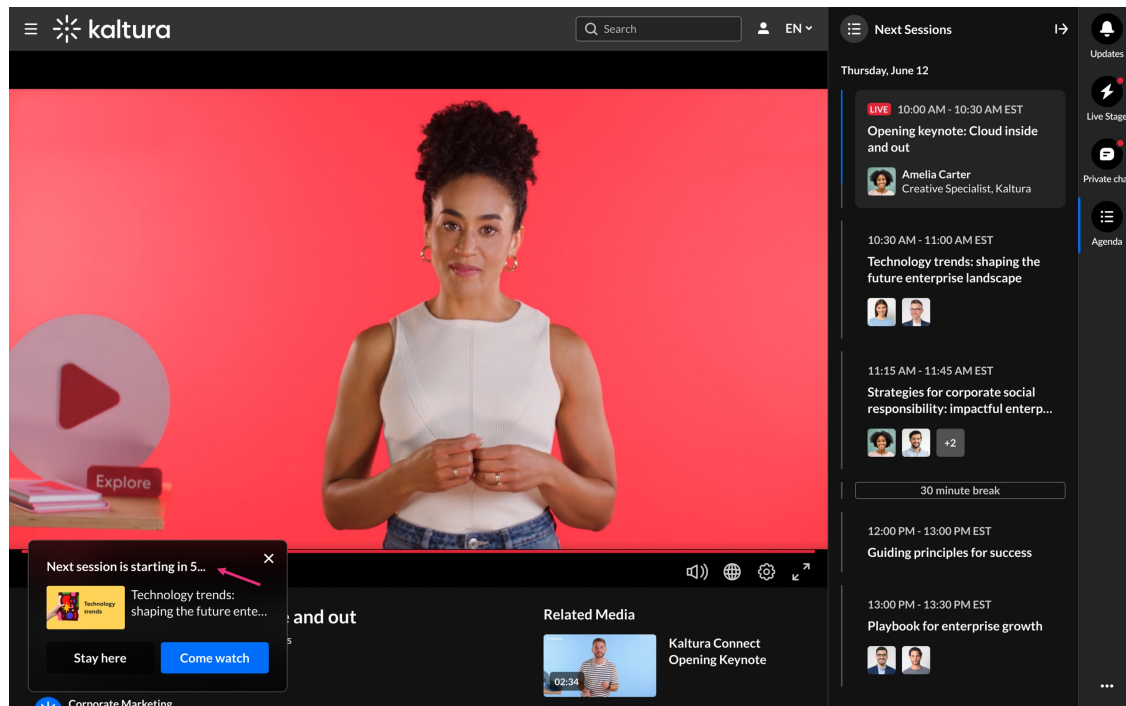

## Agenda features

- **LIVE indicator** - A red indicator displays when a session is currently live.
- **Session details** - Each session displays its time, title, and speakers. Clicking on a session takes you to its respective entry page. Non-live sessions link to their VOD versions.
- **Session progress indicators-**
  - a gray line along the side of the entire section indicates a session hasn't started
  - a blue line along the side of the entire section indicates a session has ended
  - both blue and gray lines along the side of the section indicates a session is in progress

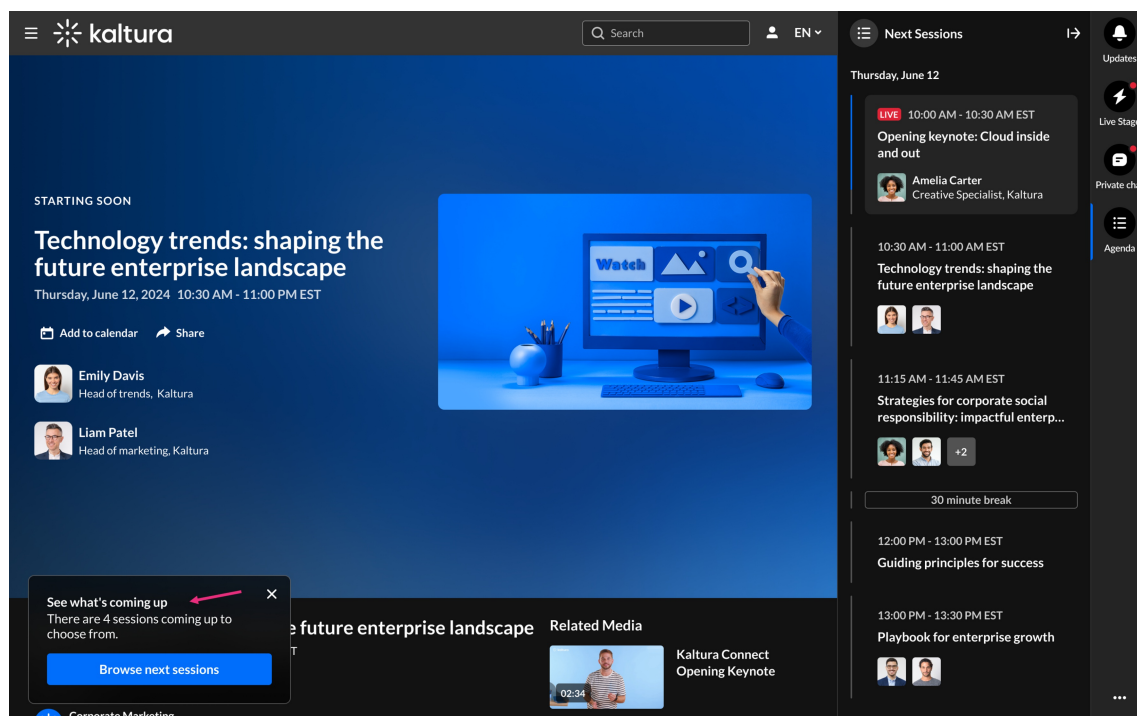

## Notifications

Whether you're browsing through sessions or currently in a live session, you'll receive pop-up notifications to alert you about other sessions that are starting. There are three types of notifications:

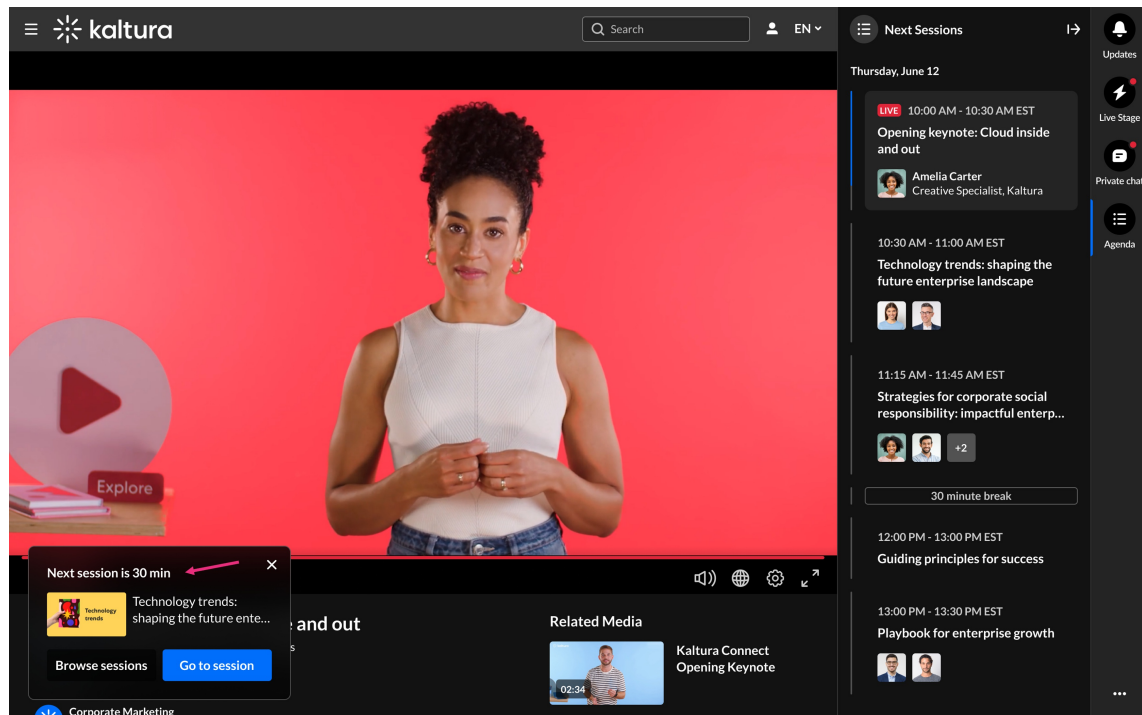

- **"Next session is starting in 5..."** - You'll receive this notification when a new session is starting or the current one is ending. You will be automatically taken to that next session unless you click **Stay here**.

- **"See what's coming up"** - You'll receive this notification when a few sessions are coming up that are starting at the same time. You can click **Browse next sessions** and the agenda will open up to allow for browsing.

- **"Next session is in (x) minutes"** - You'll receive this notification when your current session ends, but there isn't another session starting right away. You can stay on the page if you want to, for example, to continue watching, chat or read materials, or you can click **Go to session** and wait there for the session to start.

## Handling of time gaps

The agenda displays a date at the top which reflects the user's time zone (derived from their browser), and marks the start time of the first session. Breaks and gaps ranging from 15 minutes to 12 hours are visible on the agenda. Gaps shorter than 15 minutes won't be displayed, while those longer than 12 hours trigger a date change.

 Gaps and breaks are marked with a gray or blue line on the left, same as [session progress indicators](#).

The screenshot displays the Kaltura Agenda app interface. The main content area shows a schedule for Thursday, June 12, and Friday, June 13. The schedule includes sessions with titles, times, and speaker information. A 30-minute break is indicated between sessions on Thursday. A 'Time gap' label points to the break. A 'Date gap' label points to the transition from Thursday to Friday. The right sidebar contains navigation icons for Updates, Live Stage, Private chat, and Agenda.

**Agenda**

Thursday, June 12

**LIVE** 10:00 AM - 10:30 AM EST  
Opening keynote: Cloud inside and out

Playbook for enterprise growth

Time gap

Date gap

Below is an example where sessions span multiple days, and you can see how the date changes on the agenda. If both a time gap and a date gap occur simultaneously, the time gap is shown first.

Example agenda**Monday, April 1** (*date at top of agenda*)

Session 1: 11:00 AM - 12:30 PM

Session 2: 12:00 PM - 1:30 PM

Session 3: 1:30 PM - 2:00 PM

***Break***

Session 4: 7:00 PM - 8:00 PM

Session 5: 11:00 PM - 1:00 AM

***Break*****April 2**

Session 6: 2:00 AM - 3:30 AM

***No gap shown (long gap of 15 hours)***

Session 7: 6:00 PM - 7:30 PM

**April 3**

Session 8: 1:00 AM - 2:30 AM

Session 9: 2:00 AM - 3:30 AM
