

My Media in Canvas - Theming

Last Modified on 02/28/2026 10:46 am IST

 This article is designated for all users.

About

My Media is your personal space for managing all the media you've uploaded or created over time. It's unique to each user, showing only your content, which remains private until you choose to publish it in one or more channels or courses. You can also collaborate by adding other users to your media.

With intuitive media cards, powerful search and filter options, and bulk actions, organizing and managing your content is effortless. Plus, you can access analytics, embed content, and easily manage everything according to your needs and permissions.

These instructions are for [Theming](#) users. If you don't have Theming enabled on your account, please see our article 'My Media'.

Access My Media

1. Go into your course.
2. On the left menu bar, click on **My Media**.

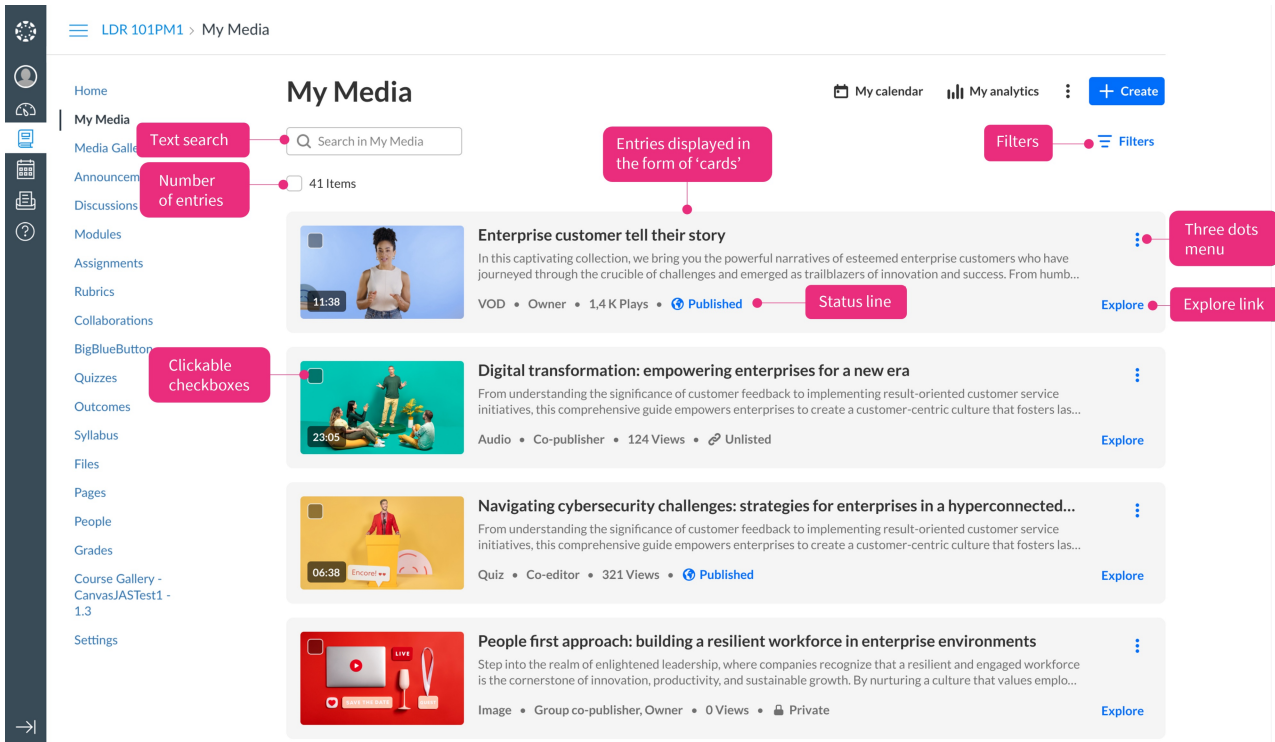

The My Media page displays. Media is displayed on this page if you have uploaded it or were added as a media collaborator.

The My Media link is typically located on the course navigation panel, as seen in our example. However, depending on your account setup, you may access My Media differently. See your Kaltura Administrator for further information.

If you haven't uploaded any media yet, check out our article 'Add Media' for instructions.

The screenshot shows the 'My Media' interface with several callouts:

- Text search:** A search bar labeled 'Search in My Media'.
- Number of entries:** A badge indicating '41 Items'.
- Filters:** A button labeled 'Filters'.
- Entries displayed in the form of 'cards':** A callout pointing to the list of media items.
- Three dots menu:** A callout pointing to the vertical ellipsis menu on the right of each card.
- Explore link:** A callout pointing to the 'Explore' button on the right of each card.
- Status line:** A callout pointing to the metadata line (e.g., 'VOD • Owner • 1.4 K Plays • Published') below each card's description.
- Clickable checkboxes:** A callout pointing to the small square checkbox on the left of each card.

If you can't access My Media content / actions, ask your Kaltura administrator to give you the required permission.

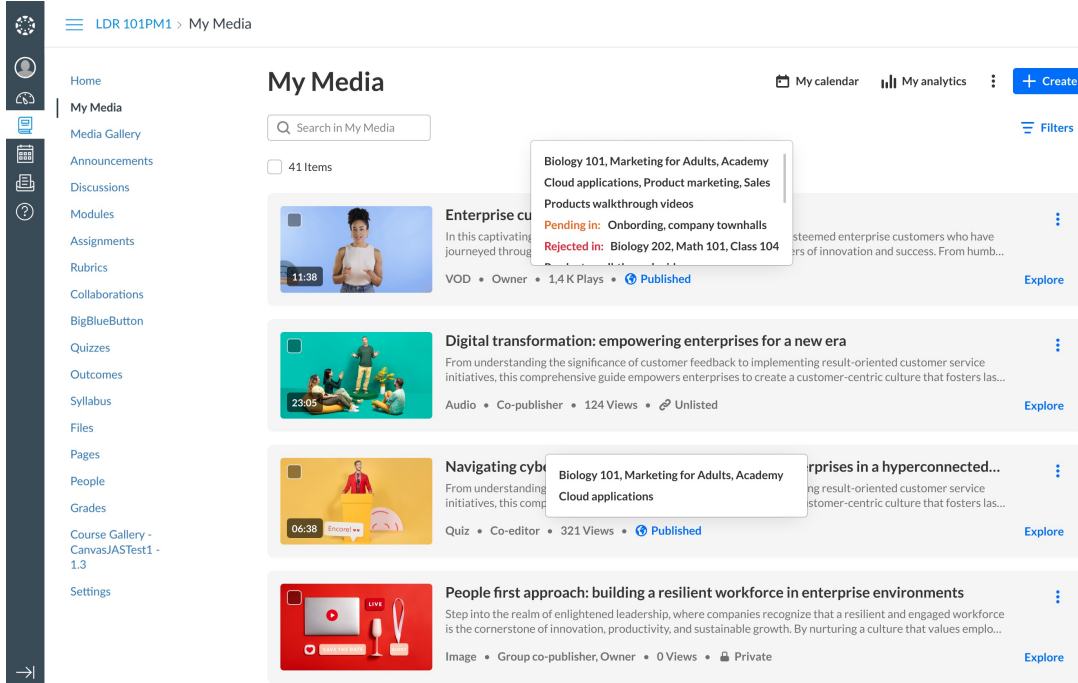

My Media page features

Media cards

Media items are displayed on the page in the form of 'cards'. Each card features the following:

- Thumbnail image
- Check box (clickable)
- Duration (for VOD only)
- Red LIVE indicator for scheduled sessions (during scheduled time only)
- Name of media - clicking will take you to the media page
- Description - up to two lines of text display
- Three-dot menu ([learn more below](#))
- 'Explore' link ([learn more below](#))
- Status line - this displays the following:
 - Type of media (VOD, Live, Image, Audio, Meeting, and so on)
 - Ownership (Owner, Co-publisher, and so on)
 - Number of plays

- Number of likes (this will only display if enabled in the [Application module](#))
- Publishing indicator - This shows the media's current publishing status. By clicking on the indicator, you can see where the media is published and whether its status is pending or rejected, as shown in the example below:

The screenshot shows the 'My Media' page in Kaltura. On the left is a navigation sidebar with options like Home, My Media, Media Gallery, Announcements, Discussions, Modules, Assignments, Rubrics, Collaborations, BigBlueButton, Quizzes, Outcomes, Syllabus, Files, Pages, People, Grades, Course Gallery, and Settings. The main content area displays a list of media items. A tooltip is shown over a publishing indicator, listing 'Pending in: Onboarding, company townhalls, Products walkthrough videos' and 'Rejected in: Biology 202, Math 101, Class 104'. The media items include a video titled 'Enterprise cu...', an audio titled 'Digital transformation: empowering enterprises for a new era', a quiz titled 'Navigating cyb...', and an image titled 'People first approach: building a resilient workforce in enterprise environments'.

Three-dot menu

Click the **three dots** at the far right of a media to open the menu. The drop-down menu gives you the following options:

The options in your menu may look slightly different depending on what has been enabled in your account. If something is missing, please contact your account administrator to have it enabled.

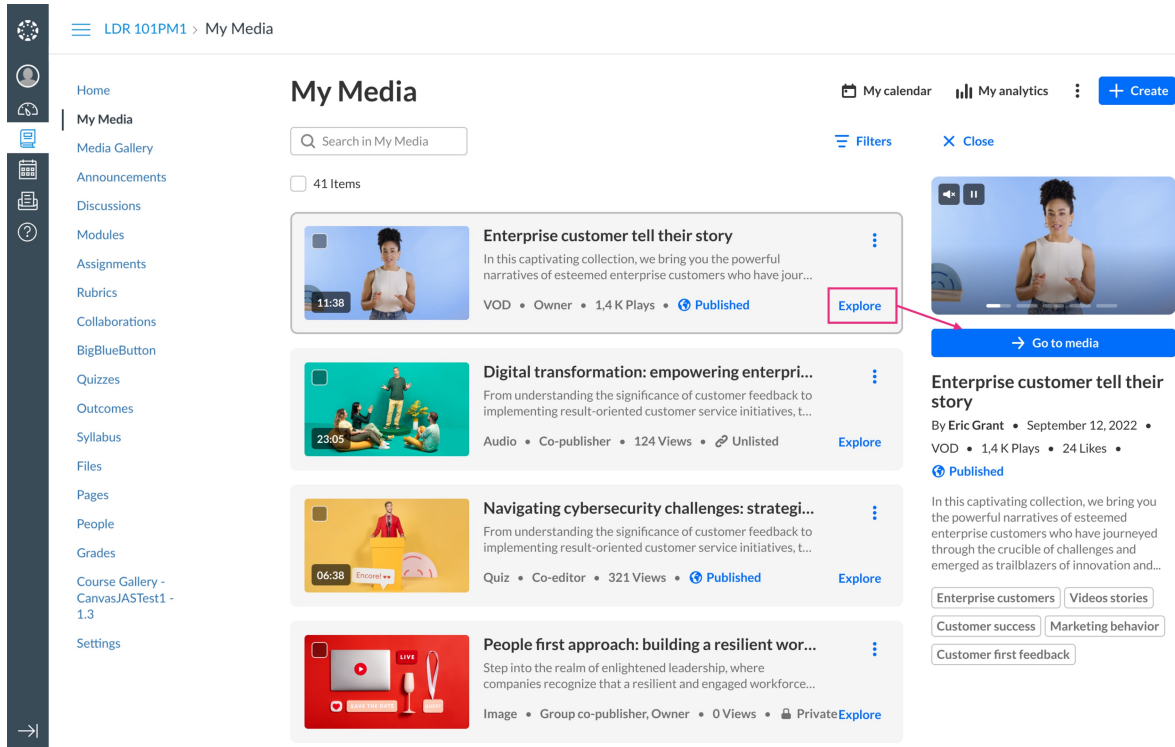

- **Edit** - Clicking will redirect you to the edit media page.
- **Analytics** - Click to access the VOD analytics dashboard and get an overview of the media. See our article [VOD Analytics](#) for more information.
- **Delete** - Click to delete the media or move it to the Recycle Bin if this feature has been enabled. Check out our article [Restore deleted items from the Recycle Bin](#) for more information.

Other options such as **Add to Playlist** and **Captions** will be added in upcoming

Explore

Click **Explore** to open a sidebar that displays additional information about the media.

The sidebar displays the following information:

- Media thumbnail
- Video preview, mute / unmute, and play / pause functions (for VOD entries)
- "Go to media" button - this will navigate the user to the media page
- Media name
- Name of publisher
- Creation date
- Media type
- Number of plays (or 'views' for images)
- Media description
- Tags - clicking a tag will navigate the user to the relevant category / channel
- Scheduled sessions - schedule is shown

The information in the **Explore** section will look different if you entered a search term beforehand. The Explore section will highlight related results, for example, if you searched for 'customers,' the term will appear in captions, tags, and more. See the image below for an example.

i The gear icon will not be visible unless a search term is entered.

The gear icon opens a drop-down menu with filters allowing you to search for the term in one of these specific fields:

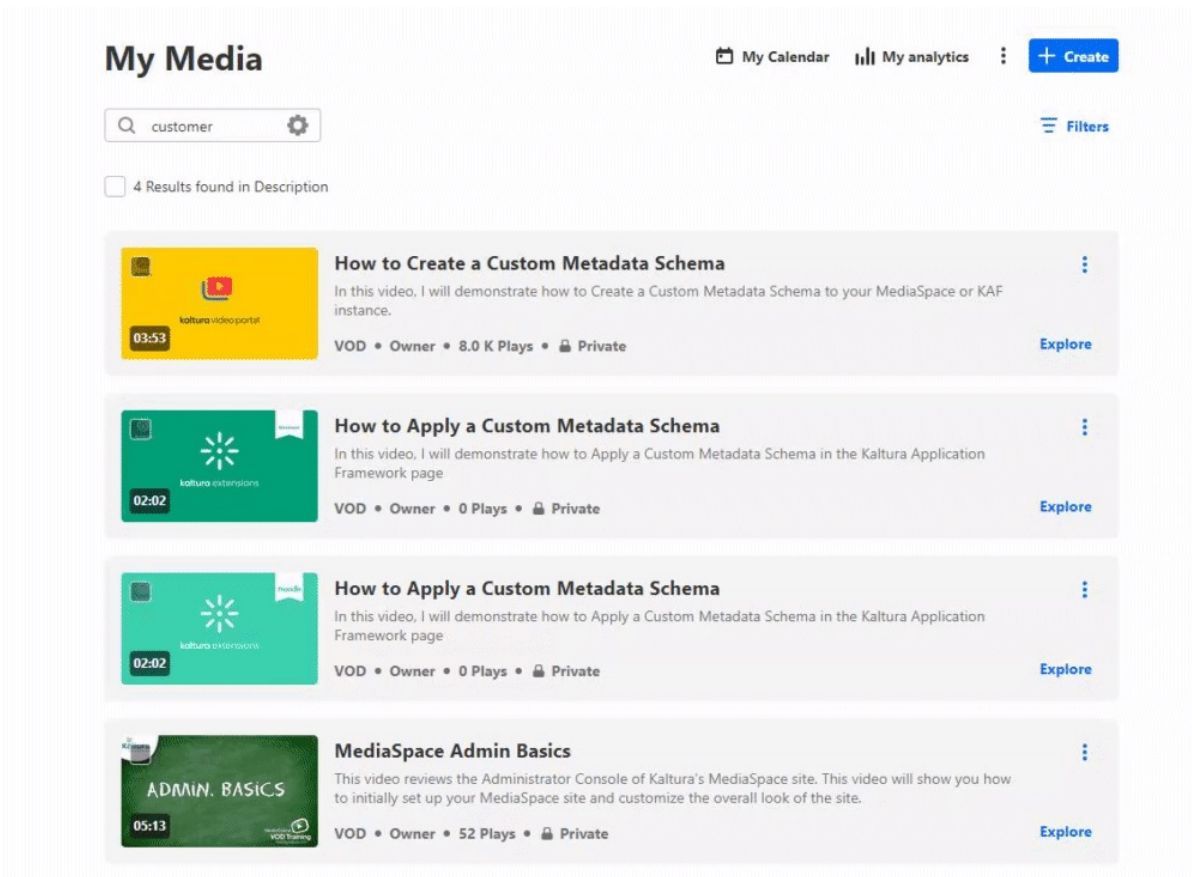

- All fields
- Name
- Description
- Tags
- Chapters / Slides
- Captions
- Quiz (results from quiz questions and answers)
- Comments

Filters

Use the **filters** on the right of the page to refine, sort, and adjust your search. For example, you can filter by the **Publish status** of a media item, as shown below:

If a filter is not relevant, it will be grayed out.
