 The Home tab is available to Organizers and account owners/admin.

The screenshot shows the Kaltura Home tab interface. At the top left is the Kaltura logo. On the right, there are buttons for '+ Create' and a user profile for 'Patrick Lorimer'. A left sidebar contains navigation options: Home (selected), Team, Analytics, and Integrations. The main content area displays a personalized greeting: 'Good morning, Patrick' with a sun icon. Below this is a 'Recently viewed' section with five classroom cards: 'Kaltura Academy' (viewed 40 minutes ago), 'SKO 2023' (viewed 1 day ago), 'Virtual Summit 2023' (viewed 2 days ago), 'Training day' (viewed 3 days ago), and 'Product palooza' (viewed 3 days ago). Easily navigate to the virtual classroom showcase page

Virtual classroom organizers who have been planning and managing multiple virtual classrooms may wish to "showcase" them to an audience of prospects. Kaltura generates a "Showcase page" that organizers can customize, share directly with prospects, and/or embed on their own website. Virtual classroom organizers can choose the specific virtual classrooms they want listed, thereby giving prospects a view of their "best" virtual classrooms in one single page. Think of it as a virtual classroom catalogue! Access the Showcase page directly from the Home tab by clicking on the **Showcase** button.

See the [Showcase page](#) for detailed information on this feature.

 Showcase capabilities are available only to account owners/admin.
