## About

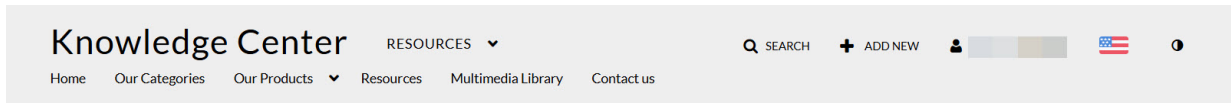

This guide explains how end users can use the "Back to channel" button in a KMS entry to return to the channel if they arrived at the entry from there.

 This guide is for non-Theming users.

 For technical support, contact Kaltura Customer Care. For all other inquiries, reach out to your Customer Success Manager.

## Using the Back to channel button

1. When you view media within a channel, you'll see a "Back to Channel" button on the media's entry page.
