

## Edit media - Theming

Last Modified on 08/19/2024 9:37 am IDT

 This article is designated for all users.

### About

This guide covers how to edit and manage your media, offering options like metadata management, publishing settings, thumbnail customization, and more, so you can ensure your content is exactly how you want it.

 You may lose some functionality if your display screen is under a certain width or when in mobile view.

 These instructions are for [Theming](#) users. If you don't have Theming enabled on your account, please see our article [Edit media](#).

### Access the edit media page
