About

Comments allow viewers to engage with your content by sharing thoughts, asking questions, and fostering discussions, helping to build a sense of community.

They appear under the media item, lower down the page below the video details section.

In this article, we'll guide you through disabling or closing discussions to manage engagement effectively.

The screenshot shows a video player interface. At the top, there is a video player with a red progress bar and a play button. Below the player, the title "Hello world" is displayed, followed by the source "From Customer Training July 16, 2024". A navigation bar includes "Details", "Share", and a search icon. A "Back" button and "ACTIONS" dropdown are also visible. The main content area shows a description "This is a description." and "Appears In" section with "Kaltura Training Course | LS". The "Comments" tab is active, and a red box highlights the message "Discussion is closed". Below this, two comments are visible: "Very nice" and "Love this video!", each with a "Delete" button.
