 This article is designated for all users.

About

Media owners can transfer ownership to someone else, which is useful if the owner is leaving the organization or switching responsibilities. They can also add co-editors, co-publishers, and co-viewers. For more information, see our article 'Add / Remove collaborators'.

The [Mediacollaboration module](#) must be enabled by your administrator for this functionality to work.

The instructions below are for [Theming](#) users. If you don't have Theming enabled, please refer to our article 'Change media ownership & add collaborators'.
