

## Comment on media in KAF

Last Modified on 09/04/2024 7:26 pm IDT

 This article is designated for all users.

### About

Want to engage with your community by commenting on media entries or replying to existing comments? Or maybe you need to delete a comment? Here's a quick guide on how to do it.

 Only authorized users can add comments.

### Comment on an item

1. Click the desired media thumbnail or title.
2. Below the media under **Comments**, type in your comment.

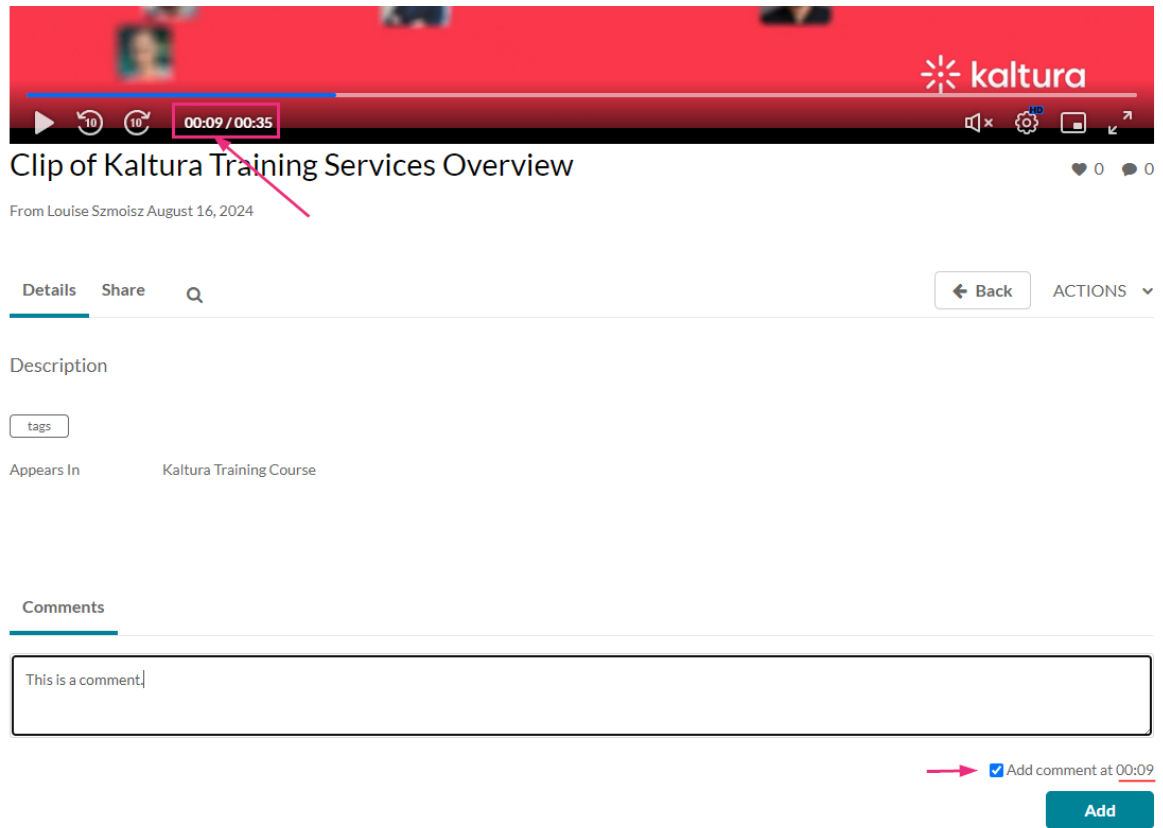

The screenshot shows a Kaltura media player interface. At the top, there are two video thumbnails. Below them is the title "Clip of Kaltura Training Services Overview" with a heart icon and a comment icon. Underneath the title, it says "From Louise Szmoisz August 16, 2024". There are tabs for "Details", "Share", and a search icon. A "Back" button and "ACTIONS" dropdown are also visible. The "Description" section shows a "tags" field and "Appears In" with "Kaltura Training Course". The "Comments" section is active, showing a text input field with the placeholder text "This is a comment" and a red arrow pointing to it. Below the input field, there is a checkbox for "Add comment at 00:12" and an "Add" button.

3. Click **Add**.

## Time-based comment

If allowed by your admin, you can add time-based comments.

1. Pause the video at the desired moment, type your comment, and check the **Add comment at [00:00]** box.

The screenshot shows a video player interface. At the top, there is a video player with a red background and the Kaltura logo. The video title is "Clip of Kaltura Training Services Overview" and it is from Louise Szmoisz, dated August 16, 2024. Below the video player, there is a "Comments" section. A text input field contains the placeholder text "This is a comment,". To the right of the input field, there is a checkbox labeled "Add comment at 00:09" which is checked. Below the checkbox is a blue "Add" button. A red arrow points from the video player's progress bar (showing 00:09 / 00:35) to the checkbox.

Alternatively, you can also "timestamp" your comment by inserting [xx:xx] anywhere in the **Comments** box.

The screenshot shows a video player interface. At the top, there is a video player with a red background and the Kaltura logo. The video title is "Clip of Kaltura Training Services Overview" and it is from Louise Szmoisz, dated August 16, 2024. Below the video player, there is a "Comments" section. A text input field contains the placeholder text "Add a Comment". To the right of the input field, there is a checkbox labeled "Add comment at 06:22" which is checked. Below the checkbox is a blue "Add" button. Below the input field, there is a comment from John Doe, posted "A moment ago". The comment text is "This is an important part (06:22)". Below the comment, there are "Reply" and "Delete" buttons.

2. Click **Add**.

Your comment now displays in the **Comments** section. If you created a time-based comment, you and other users will see that time as a link that, once clicked, will

take them to that specific time in the media.

## View comments

1. Click on a media thumbnail or title.

You can see the number of comments under the player.

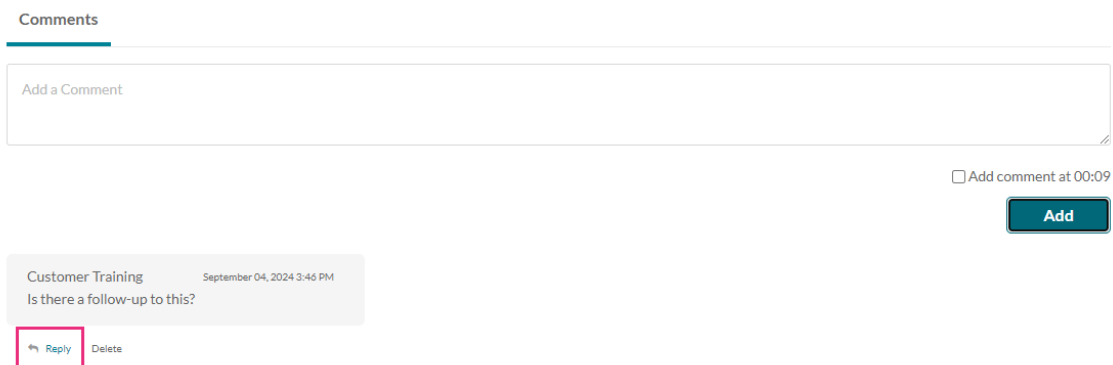

2. Scroll down to the **Comments** area below the media details to view the comments.

- ✓ When a limited number of comments are displayed, you can click **Load more comments** to display additional comments.

## Reply to a comment

 You can reply only to comments you've added or if you're the media owner.

1. Click on a media thumbnail or title.
2. In the **Comments** area, click **Reply** under the comment you'd like to reply to.

3. In the **Add a Reply** field, enter your text and click **Add**.

Is there a follow-up to this?

[Reply](#) [Delete](#)

Yes, we will post it tomorrow.

**Add**

Your reply is displayed under the comment.

## Delete a comment

 You can delete comments you've added or if you're the media owner.

1. Click a media thumbnail or title.
2. In the **Comments** area under the media player, click **Delete** under the comment you'd like to delete.
