About

Want to engage with your community by commenting on media entries or replying to existing comments? Or maybe you need to delete a comment? Here's a quick guide on how to do it.

 Only authorized users can add comments.

Comment on an item

1. Click the desired media thumbnail or title.
2. Below the media under **Comments**, type in your comment.

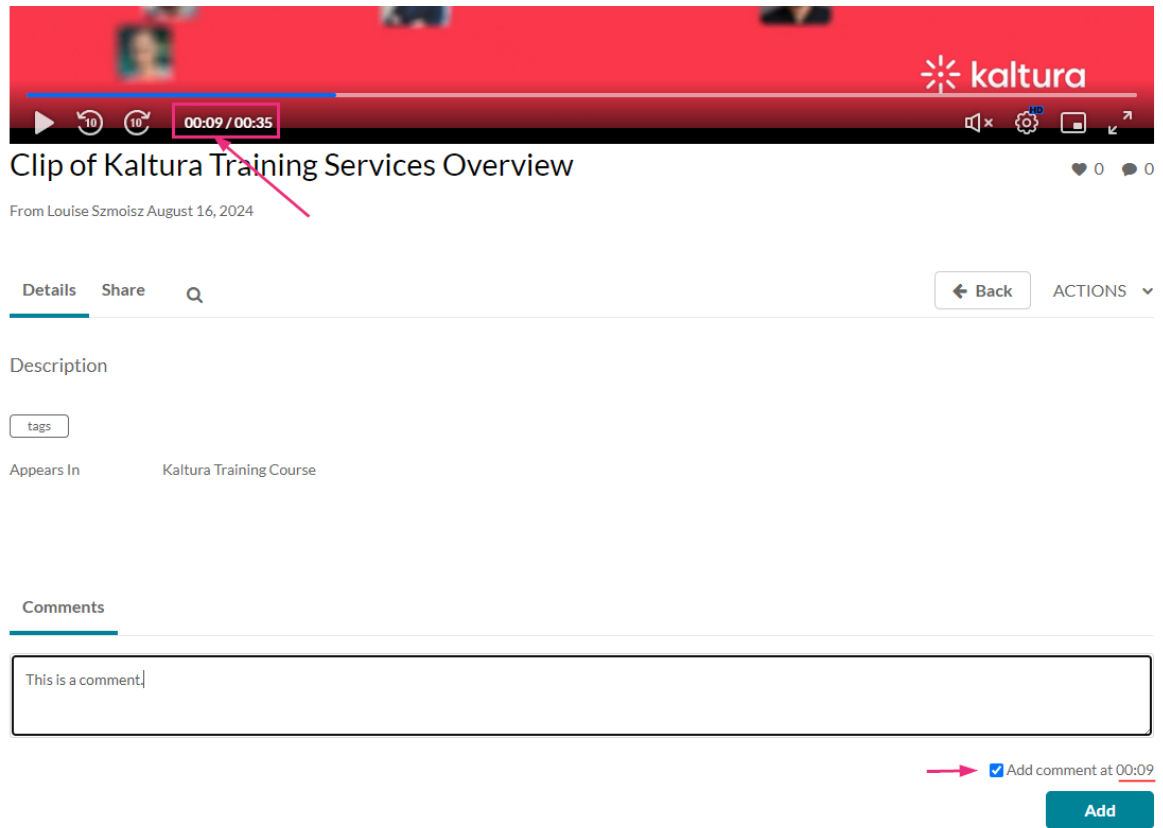

The screenshot shows a Kaltura media player interface. At the top, there are two video thumbnails. Below them is the title "Clip of Kaltura Training Services Overview" with a heart icon and a comment icon. Underneath the title, it says "From Louise Szmoisz August 16, 2024". There are tabs for "Details", "Share", and a search icon. A "Back" button and an "ACTIONS" dropdown menu are also visible. The "Description" section shows a "tags" input field and "Appears In" with "Kaltura Training Course". The "Comments" section is active, showing a text input field with the placeholder text "This is a comment" and a red arrow pointing to it. Below the input field, there is a checkbox for "Add comment at 00:12" and an "Add" button.

3. Click **Add**.

Time-based comment

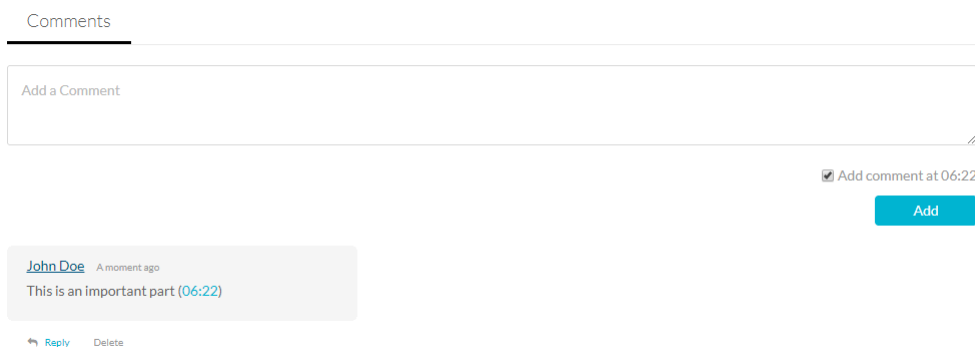

If allowed by your admin, you can add time-based comments.

1. Pause the video at the desired moment, type your comment, and check the **Add comment at [00:00]** box.

The screenshot shows a video player interface. At the top, there is a video player with a red header and a timeline. The timeline shows a play button, a 10-second rewind button, a 10-second play button, and a time display of 00:09 / 00:35. A red box highlights the time display, and a red arrow points to it. Below the video player, the title "Clip of Kaltura Training Services Overview" is displayed, along with a heart icon and a comment icon. Below the title, there is a "Details" tab, a "Share" button, and a search icon. To the right, there is a "Back" button and an "ACTIONS" dropdown menu. Below the "Details" tab, there is a "Description" section with a "tags" button and "Appears In" information: "Kaltura Training Course". Below the "Description" section, there is a "Comments" section with a text input field containing "This is a comment," and an "Add" button. To the right of the "Add" button, there is a checkbox labeled "Add comment at 00:09" which is checked, and a red arrow points to it.

Alternatively, you can also "timestamp" your comment by inserting [xx:xx] anywhere in the **Comments** box.

The screenshot shows a video player interface. At the top, there is a "Comments" section with a text input field containing "Add a Comment". Below the input field, there is a checkbox labeled "Add comment at 06:22" which is checked, and an "Add" button. Below the "Add" button, there is a comment from "John Doe" with the text "This is an important part (06:22)". Below the comment, there are "Reply" and "Delete" buttons.

2. Click **Add**.

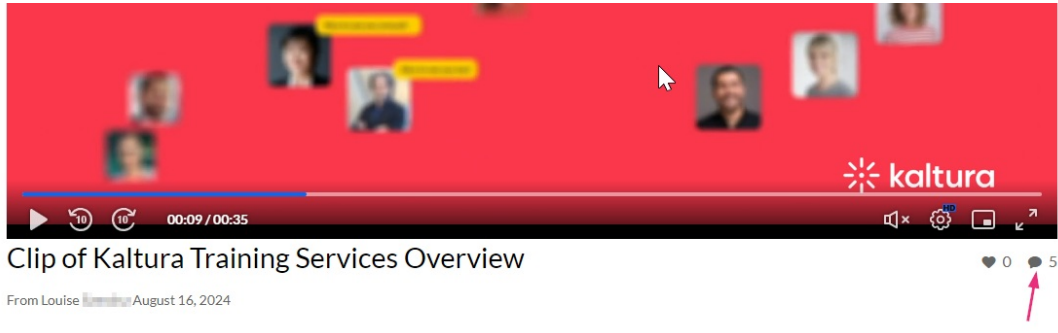

Your comment now displays in the **Comments** section. If you created a time-based comment, you and other users will see that time as a link that, once clicked, will

take them to that specific time in the media.
