

Set up a KAF root category in KMC

Last Modified on 08/10/2025 12:58 pm IDT

 This article is designated for administrators.

About

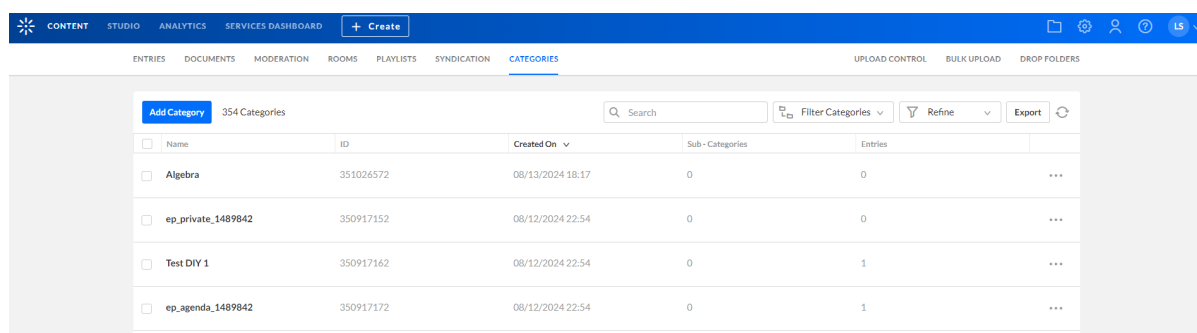

This guide describes how to create a root category in the KMC, if not already created for you by your Kaltura representative.

Set up category

1. Log into the [KMC](#).
2. On the **Content** page, click the **Categories** tab.

The Categories page displays.

3. Click **Add Category**.
