

# Add media to a playlist in Legacy Video Portal

Last Modified on 05/22/2026 12:55 pm IDT

 This article is designated for all users.

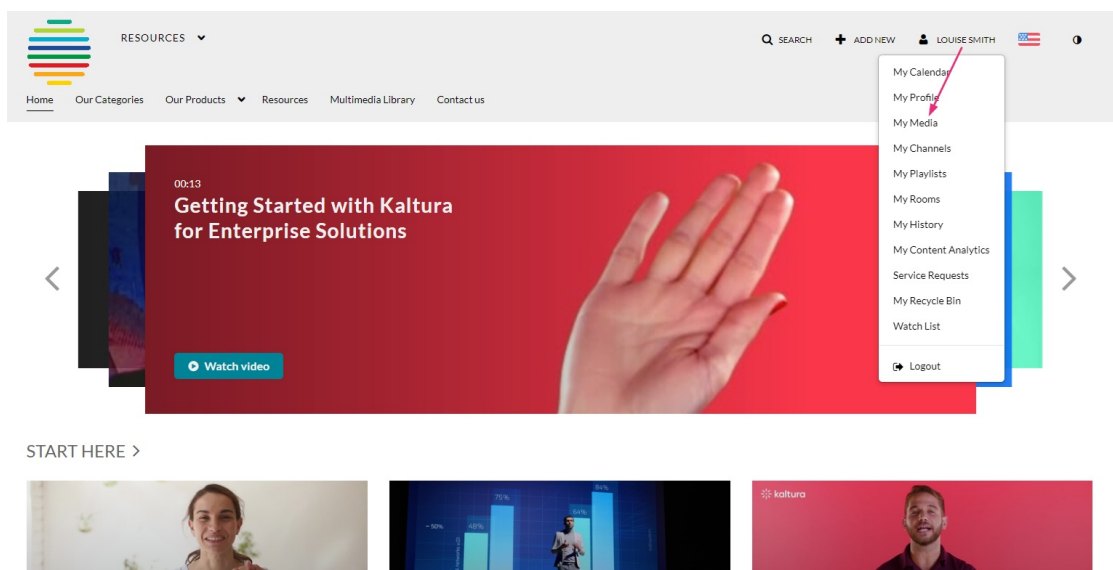

## About

Playlists serve as an effective tool for organizing and presenting media content. In your Legacy Video Portal, you can conveniently add media to playlists, thereby improving the accessibility and engagement of your content.

These instructions apply to the **Legacy Video Portal**. If you're using the Theming-based Video Portal, please refer to the [Content Hubs category](#).

## Via My Media

1. From the user menu, select **My Media**.

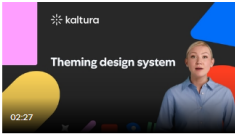

The My Media page displays.

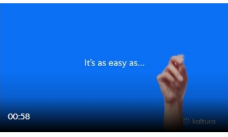

## My Media

Search My Media

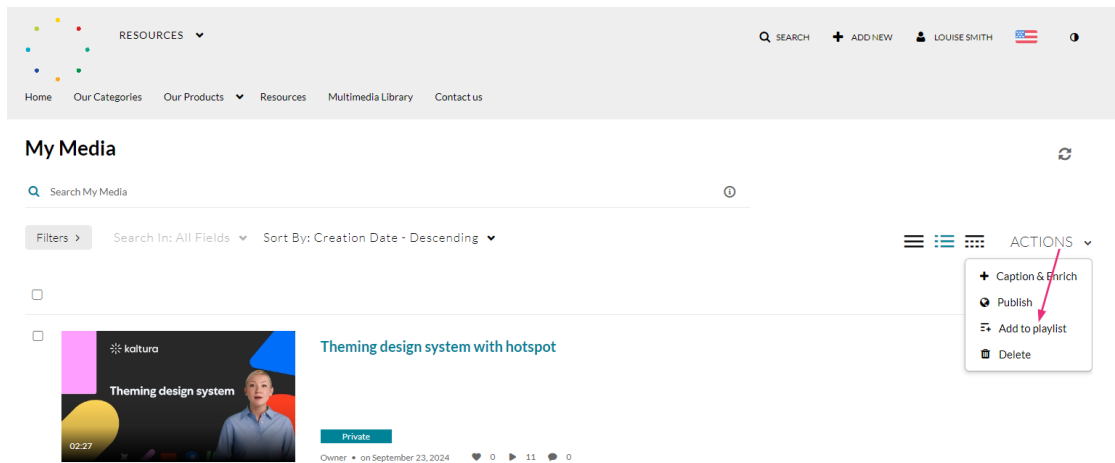

Filters > Search In: All Fields ▾ Sort By: Creation Date - Descending ▾ ≡ ≡ ≡ ACTIONS ▾
