

Add media to a playlist in Canvas

Last Modified on 09/30/2024 2:57 pm IDT

 This article is designated for faculty members.

About

Playlists serve as an effective tool for organizing and presenting media content. You can conveniently add media to playlists, thereby improving the accessibility and engagement of your content.

 These instructions are for non-Theming users. For [Theming](#) users, please see our article [Add media to playlist - Theming](#).

Access the edit playlist page

1. Access the [Media Gallery](#).

2. At the top right of the Media Gallery, click the hamburger menu and select **Edit**.

Add media to your playlist

1. Choose the media you want for your playlist.

You can use the search function to find the media you want to add, or use the drop-down menu. The menu includes the following two options:

- **My Media** - Select this to display media from your [My Media](#) library.
- **Media Gallery** - Select this to display media that is available in your Media Gallery.

To manually reorder media in the playlist, grab the two lines to the left of the media and drag to the desired spot in the playlist.

You can also click the **three dots menu** next to an item and move the item to the top or bottom of the playlist, or to remove the item.

3. When you're happy with your selected items, click **Save**.
