About

Playlists serve as an effective tool for organizing and presenting media content. You can conveniently add media to playlists, thereby improving the accessibility and engagement of your content.

 These instructions are for [Theming](#) users. For non-Theming users, please see our article [Add media to playlist in KAF](#).

Access the edit playlist page

1. Access the [Media Gallery](#).

2. At the top right of the Media Gallery, click the **Actions** menu and select **Configure**.

The **Edit Media Gallery** page displays.

3. Click the **Playlists** tab.

The screenshot shows the 'Edit Media Gallery' interface. At the top, a green success message reads 'The information was saved successfully'. Below this, the 'Edit Media Gallery' title is followed by tabs for 'Details', 'Playlists', and 'Advanced Settings'. The 'Description' field is active, showing a rich text editor with options for text color (Black), bold, italic, underline, and list creation. The description text reads: 'Discover the skills and mindset to become an effective leader. In this course, you'll learn how to inspire others, communicate with confidence, and make a positive impact in your school and community. Let's start building the future leaders of tomorrow!'. Below the description is a 'Tags' input field. Under 'Options', several checkboxes are visible: 'Moderate content (media will not appear in media gallery until approved by the gallery manager)', 'Enable comments in Media Gallery', 'Keep comments private to Media Gallery', 'Force media published only to this channel to always be played in the context of the channel', 'Enable Newrow Live Room', and 'Display embedded media in this Media Gallery'. At the bottom, there is a 'Save' button and a 'Back to Media Gallery' link.

5. Click **Back to Media Gallery** at the bottom of the page.

6. On the Media Gallery page, click the **Playlists** tab to view your modified playlist.
