About

During a DIY live broadcast session, the meeting room displays a variety of different figures. You may be wondering, "What do all these numbers mean?" We are here to help!

(A) Number of users watching the live feed (using the Kaltura Player)

(B) Aggregated number of users inside the KME Studio room and watching the live feed (using the Kaltura Player)

(C) Number of users watching the live feed (using the Kaltura Player)

(D) Aggregated number of users inside the KME Studio room and watching the live feed (using the Kaltura Player)
