

Global search in Canvas

Last Modified on 05/02/2026 4:44 pm IDT

 This article is designated for all users.

About

Easily find what you're looking for with accurate results, and refine your search using intuitive filters.

The global search function is designed to help you explore content efficiently and uncover relevant information.

This feature requires the following to be enabled:

- [Search module](#)
- [Theming module](#) with the 'globalsearch' feature set to 'Yes'.

Perform a search

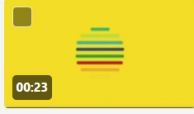

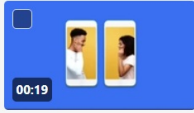

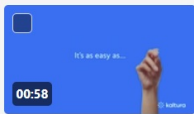

1. Access the My Media page.

My Media

 My Calendar  My analytics  [+ Create](#)

 Filters

715 Results found

-  **My stitched video**
My stitched video
VOD • Owner • 3 Plays • Private [Explore](#)
-  **Learning video**
VOD • Owner • 22 Plays • Published [Explore](#)
-  **Kaltura Learning**
VOD • Owner • 5 Plays • Published [Explore](#)
-  **Kaltura_Events_Teaser_(WM_HD_1080_-_WEB_(H264_4000)) (Source).mp4**
VOD • Owner • 0 Plays • Published [Explore](#)
-  **Kaltura Training Services Overview**
Description [Explore](#)

2. On the My Media page, enter your keyword(s) in the search field.

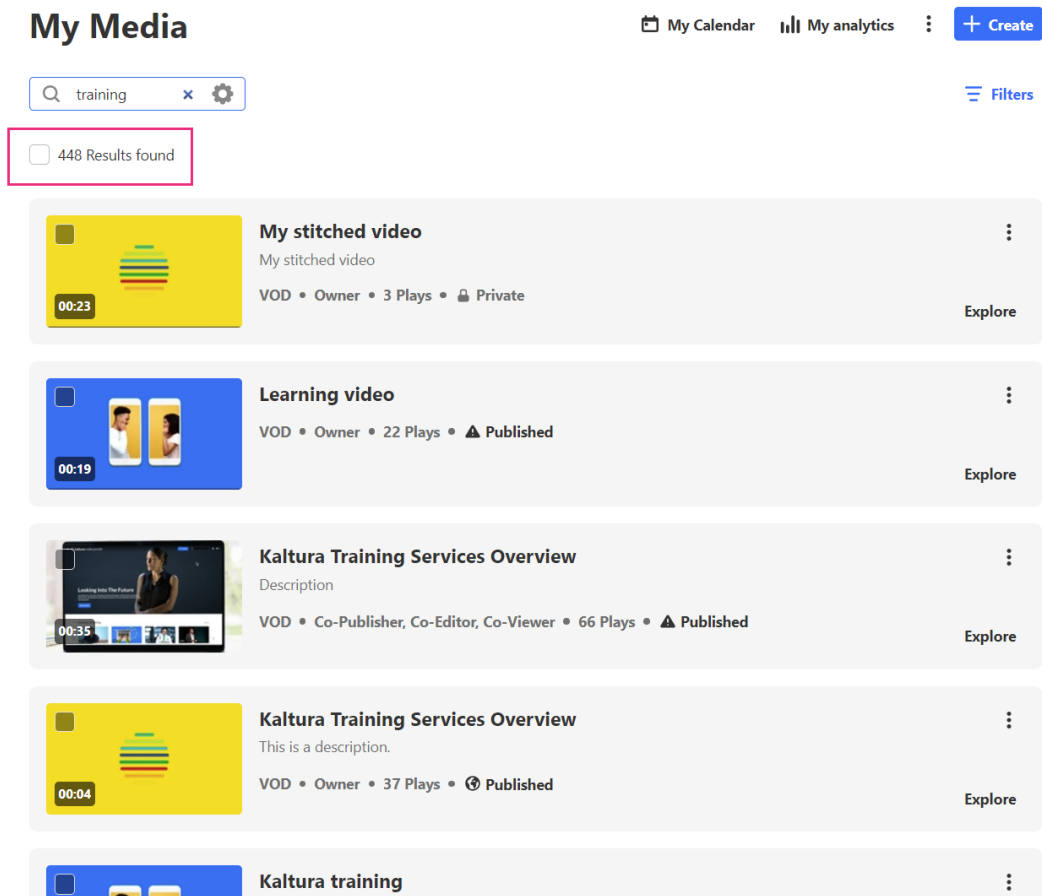

As you type, you will see your search history. If you hover, you'll see an 'x', which you can click to remove the search from your 'previous searches'.

The screenshot shows the 'My Media' page with the search bar containing the text 'training'. A dropdown menu is open below the search bar, displaying two search history items: 'training' and 'training videos', each with a small 'x' icon to its right. A red arrow points to the search bar. The rest of the page content is identical to the previous screenshot.

3. Press **Enter** on your keyboard to activate the search.

The total number of results displays at the top left of the page.

The screenshot shows the 'My Media' dashboard. At the top, there are navigation links for 'My Calendar', 'My analytics', and a '+ Create' button. Below these is a search bar containing the text 'training' with a clear 'x' icon and a gear icon for advanced search options. To the right of the search bar is a 'Filters' button. Below the search bar, a box indicates '448 Results found'. The main area displays a list of video items, each with a thumbnail, title, description, and metadata (VOD, Owner, Plays, and status). The items are: 'My stitched video' (00:23, 3 Plays, Private), 'Learning video' (00:19, 22 Plays, Published), 'Kaltura Training Services Overview' (00:35, 66 Plays, Published), another 'Kaltura Training Services Overview' (00:04, 37 Plays, Published), and 'Kaltura training'.

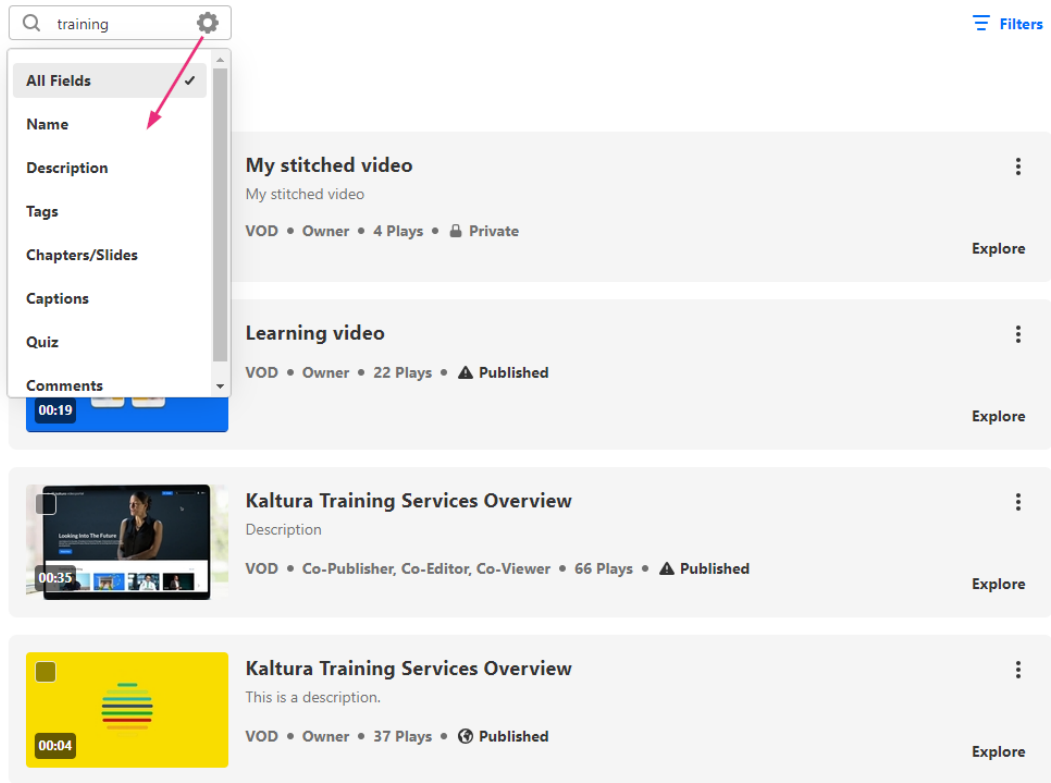

After conducting a search, you can access advanced search options for specific fields by clicking the gear icon.

The gear icon will not be visible unless a search term is entered.

My Media

My Calendar My analytics [+ Create](#)

The screenshot shows the 'My Media' page with a search bar containing the term 'training'. A gear icon next to the search bar opens a drop-down menu with the following options: All Fields (checked), Name, Description, Tags, Chapters/Slides, Captions, Quiz, and Comments. Below the search bar, there are three video cards. The first card is titled 'My stitched video' with a description 'My stitched video', 4 plays, and is private. The second card is titled 'Learning video' with a description 'VOD • Owner • 22 Plays • Published'. The third card is titled 'Kaltura Training Services Overview' with a description 'Description', 66 plays, and is published. The fourth card is also titled 'Kaltura Training Services Overview' with a description 'This is a description.', 37 plays, and is published. Each card has an 'Explore' button and a three-dot menu icon.

The gear icon opens a drop-down menu with filters allowing you to search for the term in one of these specific fields:

- **All fields**
- **Name**
- **Description**
- **Tags**
- **Chapters / Slides**
- **Captions**
- **Quiz** (results from quiz questions and answers)
- **OCR** (Optical Character Recognition - detects and extracts text from on-screen elements such as slides, images, etc.)
- **Comments**

Please note **Playlists** are not currently searchable.

Filters

Click **Filters** at the top right of the page to display a list of filters.

My Media

 **Filters**

448 Results found

 **My stitched video**
My stitched video
VOD • Owner • 4 Plays • Private Explore

 **Learning video**
VOD • Owner • 22 Plays • Published Explore

Use the filters to filter, sort, and adjust your search. If a filter is not relevant, it will be grayed out.

The screenshot shows the 'My Media' interface with a search for 'training' and 448 results. A 'Filters' modal is open, listing various filter categories: Clear all filters, Sort By, Media Type, Publish Status, Scheduling, Ownership, Captions, Duration, Creation Date, and Last Update Date. Each filter has a dropdown arrow. The modal also includes a 'Close' button at the bottom.

Sort By

You can sort results using the **Sort by** feature.

Explore

Click **Explore to view** additional information about the entry, such as Owner, Creation date, Views and Likes. Click **Go to Media** to navigate directly to the entry. Click **X Close** at the top of the side bar to collapse the results.

The screenshot shows the 'My Media' dashboard. At the top, there are navigation links for 'My Calendar', 'My analytics', and a '+ Create' button. Below this is a search bar containing the text 'demo' and a 'Filters' icon. A status indicator shows '505 Results found'. The main content area displays a list of four video entries. Each entry consists of a video thumbnail, a title, a status (VOD), ownership (Owner), play count, privacy status (Private), and an 'Explore' button. The entries are: 1. 'Demo_Roy_Kaltura_Test_(Source)' with 7 plays. 2. 'Demo_(Source)' with 4 plays. 3. 'Demo_(Source)' with 0 plays. 4. 'Demo_Roy_Kaltura_Test_(Source)' with 2 plays. A mouse cursor is hovering over the third entry.
