ℹ️

> For Video Quiz translations, please see Player - settings.

Changing your site's language

Users can dynamically change the language for their specific instance. The selected language is saved in a persistent cookie on the browser and remains active until the cookie is deleted.
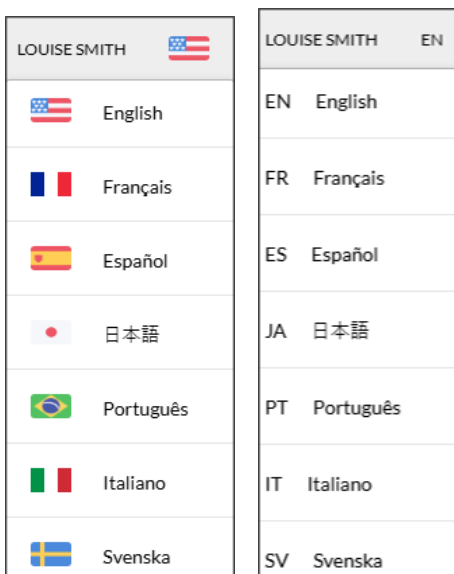

To update the language, select your preferred option from the drop-down menu in the top-right navigation bar.

Theming UI

Non-Theming UI

There are two types of display possible:

Administrators can create additional languages and customize existing languages. See the Languages module article for additional information.
