

Upload media in Blackboard Ultra

Last Modified on 12/18/2024 12:15 pm IST

 This article is designated for all users.

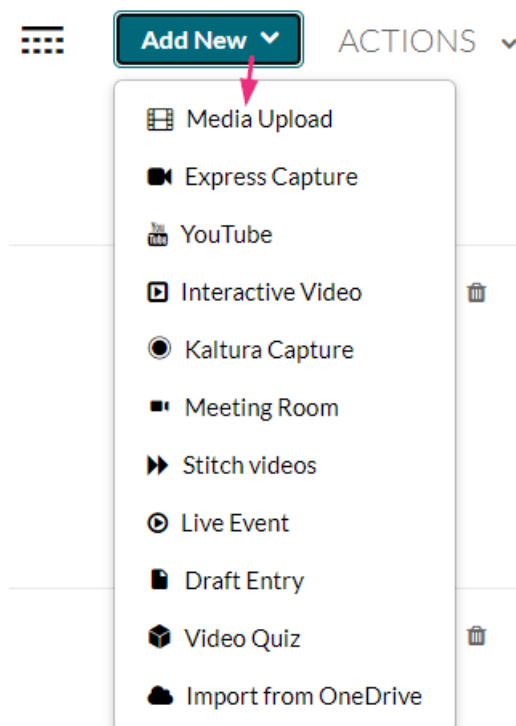

About

Uploading media from your desktop is simple and straightforward. Just follow the steps below to easily share your videos, audio files, and images.

 The instructions below are for non-Theming users. If you have [Theming](#) enabled, please refer to our article [Upload media in KAF - Theming](#).

Upload media

1. On your **My Media** page, click the **Add New** button to the right and select **Media Upload**.

 Depending on what is enabled on your application, your Add New menu may look slightly different. If there is an option missing, please contact your Kaltura administrator to discuss how to enable it.

The **Upload Media** page displays.

2. Drag and drop your file or select **Choose a file to upload**.

Upload Media

[Back](#)

3. If you clicked **Choose a file to upload**, select a file from your computer and click **Open**.

4. While the file is uploading, you can enter the name, description and tags for the media.

Once the upload has finished, a success message displays: *Upload Completed!*
Complete the required information for the uploaded media below.

Upload Media

Upload Completed! Complete the required information for the uploaded media below.

Please fill out these details:

Name:
(Required)
