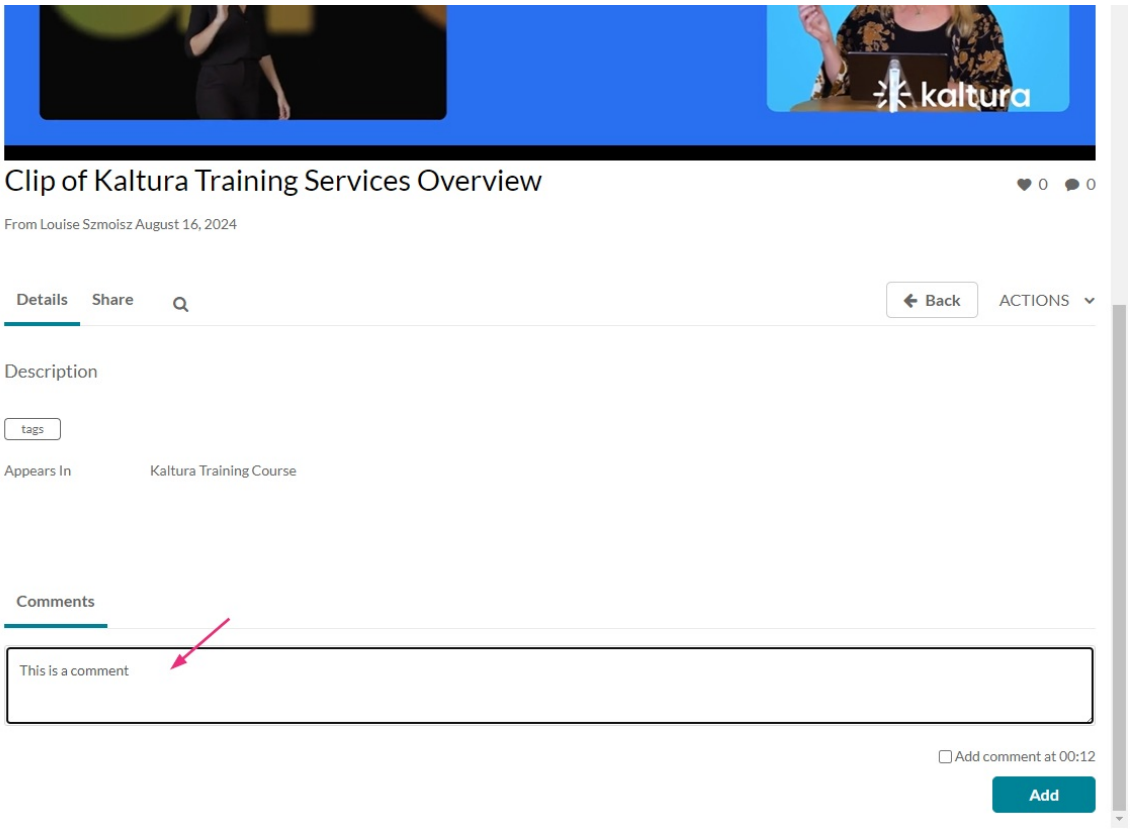
About

Want to engage with your community by commenting on media entries or replying to existing comments? Or maybe you need to delete a comment? Here's a quick guide on how to do it.

Only authorized users can add comments.

Comment on an item

1. Click the desired media thumbnail or title.
2. Below the media under **Comments**, type in your comment.



3. Click **Add**.

Time-based comment

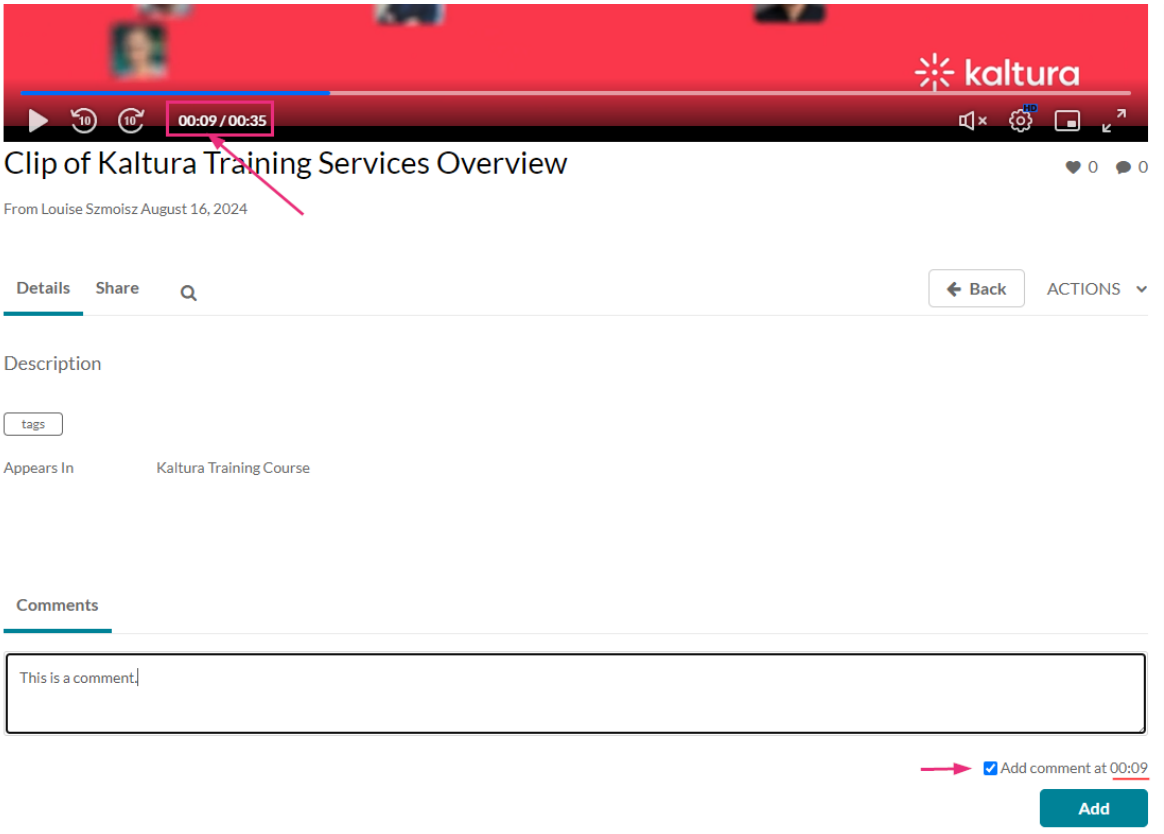
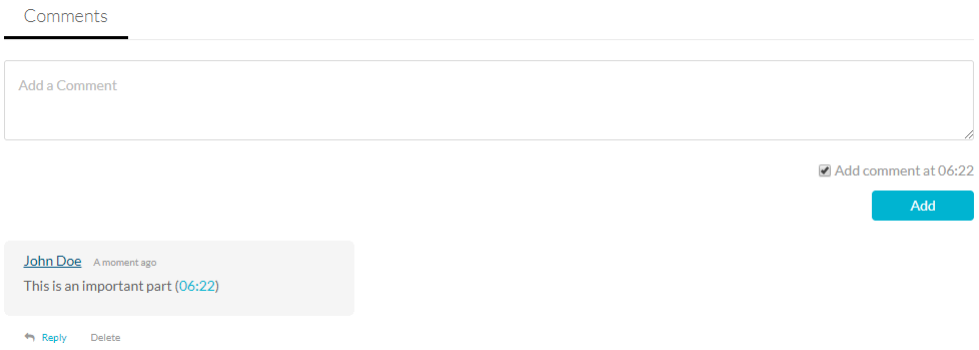
If allowed by your admin, you can add time-based comments.

1. Pause the video at the desired moment, type your comment, and check the **Add comment at [00:00]** box.



Alternatively, you can also "timestamp" your comment by inserting [xx:xx] anywhere in the **Comments** box.



2. Click **Add**.

   Your comment now displays in the **Comments** section. If you created a time-based comment, you and other users will see that time as a link that, once clicked, will take them to that specific time in the media.

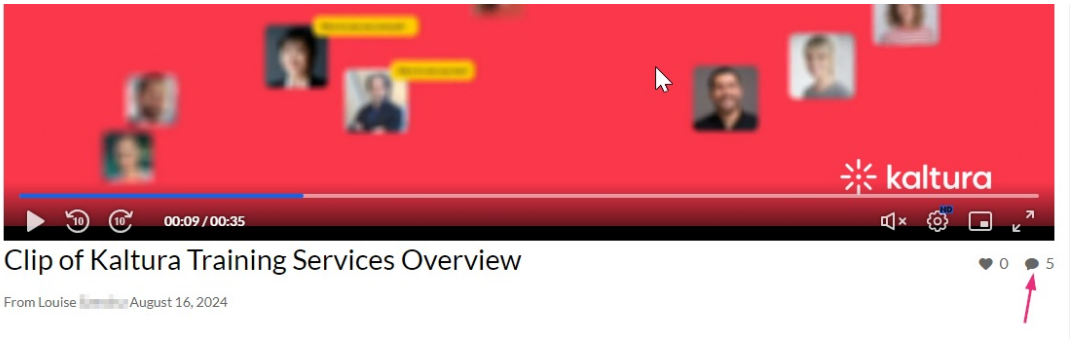
View comments

1. Click on a media thumbnail or title.

   You can see the number of comments under the player.



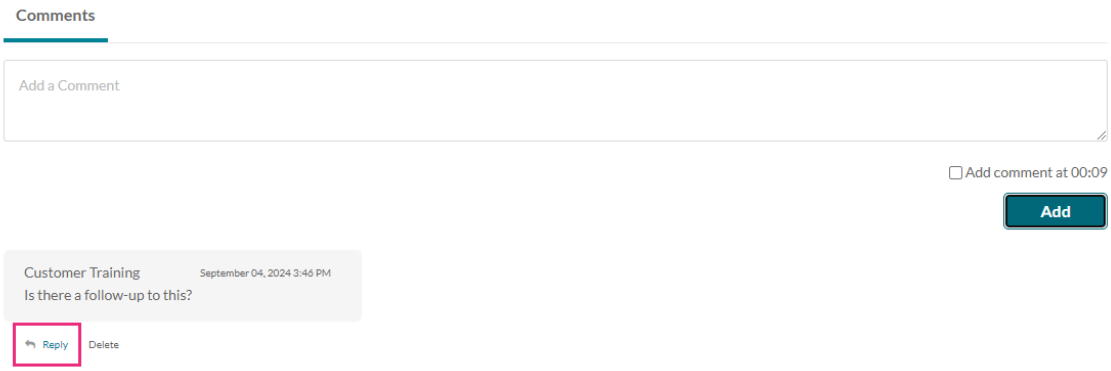
2. Scroll down to the **Comments** area below the media details to view the comments.

   When a limited number of comments are displayed, you can click**Load more comments** to display additional comments.

Reply to a comment

You can reply only to comments you've added or if you're the media owner.

1. Click on a media thumbnail or title.
2. In the **Comments** area, click **Reply** under the comment you'd like to reply to.



3. In the **Add a Reply** field, enter your text and click **Add**.

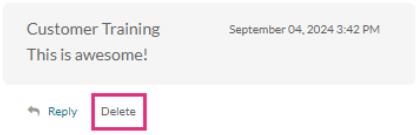
Your reply is displayed under the comment.

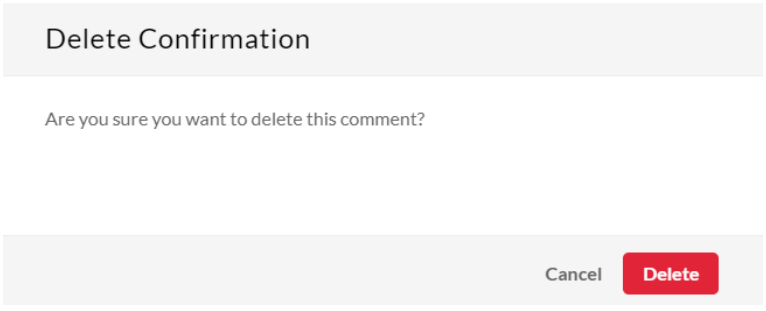
Delete a comment

You can delete comments you've added or if you're the media owner.

1. Click a media thumbnail or title.
2. In the **Comments** area under the media player, click **Delete** under the comment you'd like to delete.



A confirmation message displays: *Are you sure you want to delete this comment?*



3. Click **Delete**.

Deleting a comment also deletes replies to the comment.
