About

This article describes how to edit playlists. After you have created a playlist, you can modify the playlist's details, content, and order from the edit playlist page.

These instructions apply to the legacy **LMS Video** integration. If you're using LMS Video with Theming, please refer to the LMS Rich Media Extensions category.

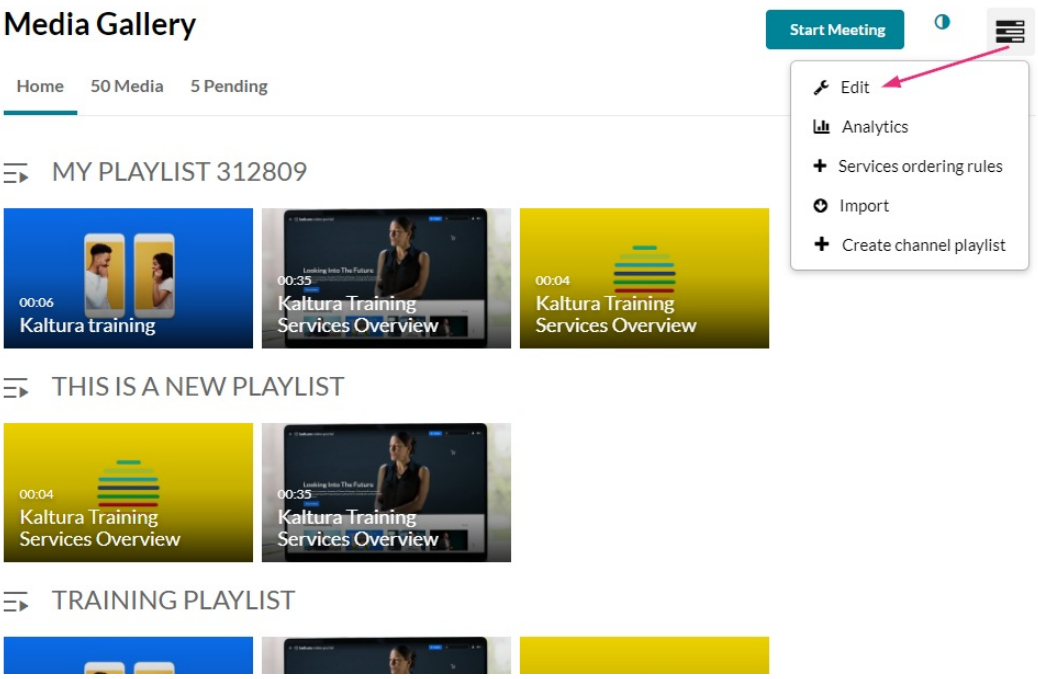

Access the edit playlist page

1. Access the Media Gallery.

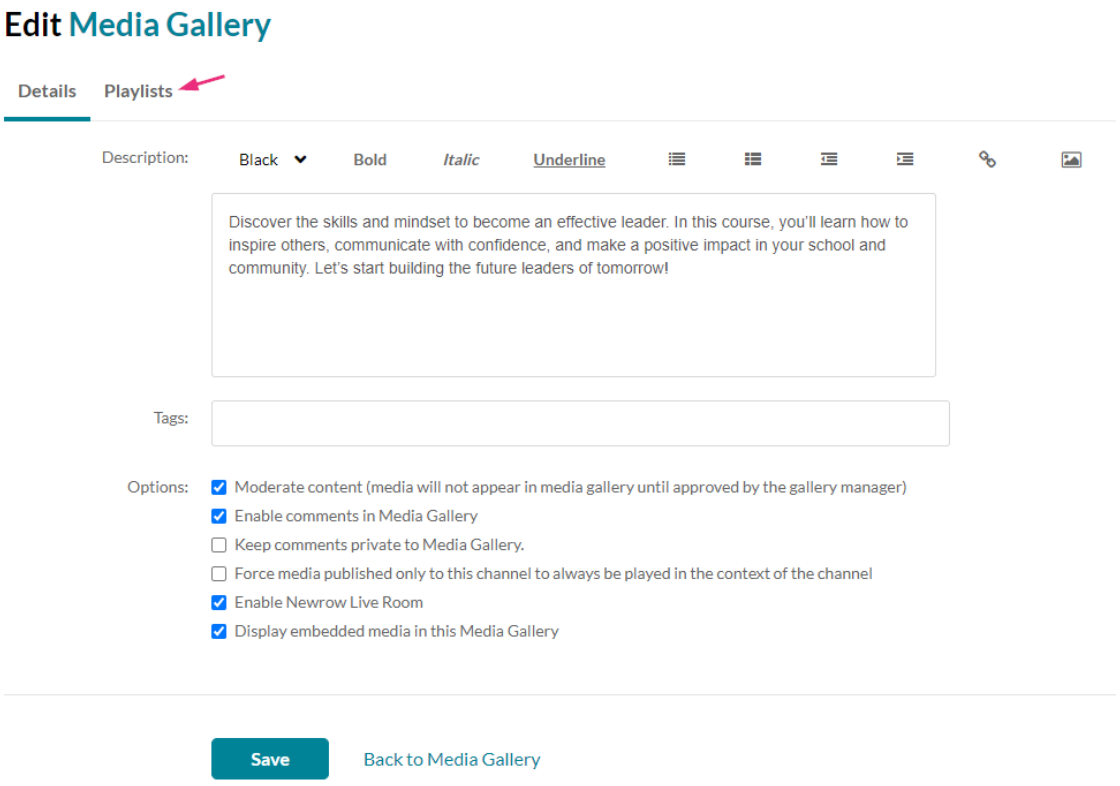

2. At the top right of the Media Gallery, click the hamburger menu and select **Edit**.
