 This article is designated for faculty members.

About

This article describes how to edit playlists. After you have created a playlist, you can modify the playlist's details, content, and order from the edit playlist page.

These instructions are for non-Theming users. For [Theming](#) users, please see our article 'Edit a playlist - Theming'.

Access the edit playlist page

1. Access the Media Gallery.

2. At the top right of the Media Gallery, click the hamburger menu and select **Edit**.
