# Add media to a playlist in Blackboard (legacy)

Content updated: 01/20/2025

This article is designated for faculty members.

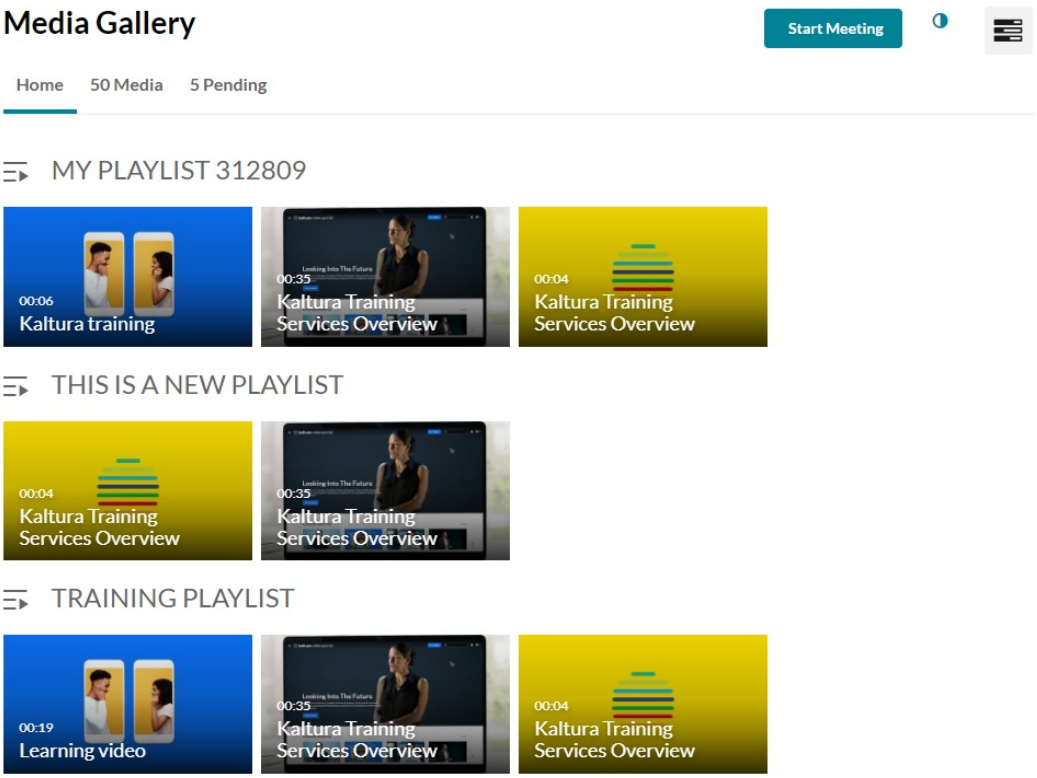

## About

Playlists serve as an effective tool for organizing and presenting media content. You can conveniently add media to playlists, thereby improving the accessibility and engagement of your content.

> These instructions apply to the legacy **LMS Video** integration. If you're using LMS Video with Theming, please refer to the LMS Rich Media Extensions category.

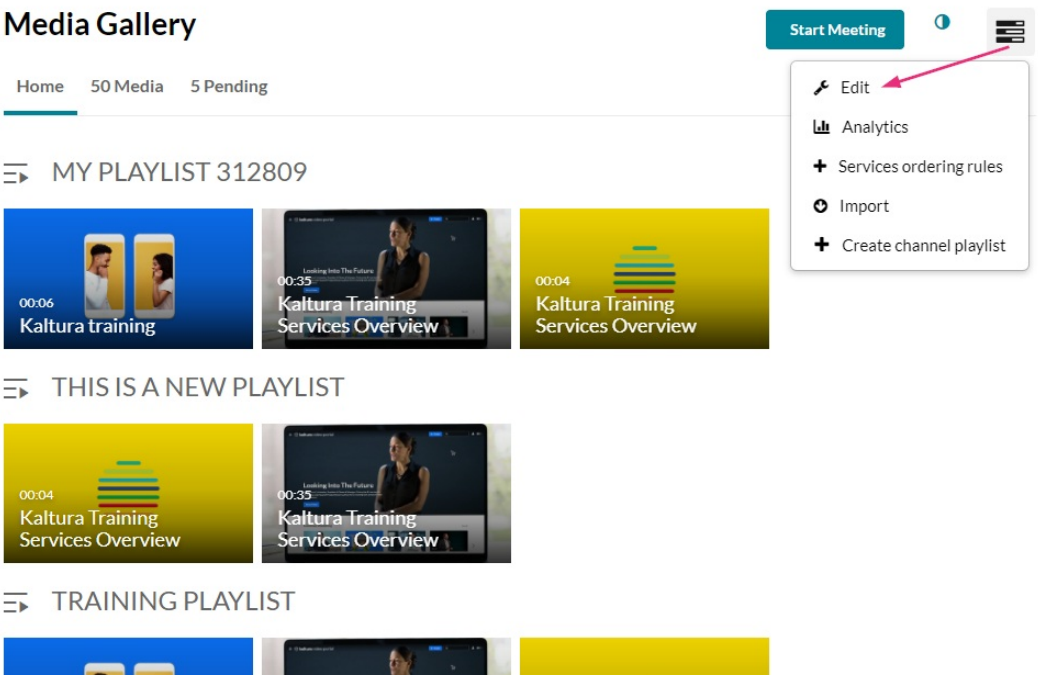

## Access the edit playlist page

1. Access the Media Gallery.

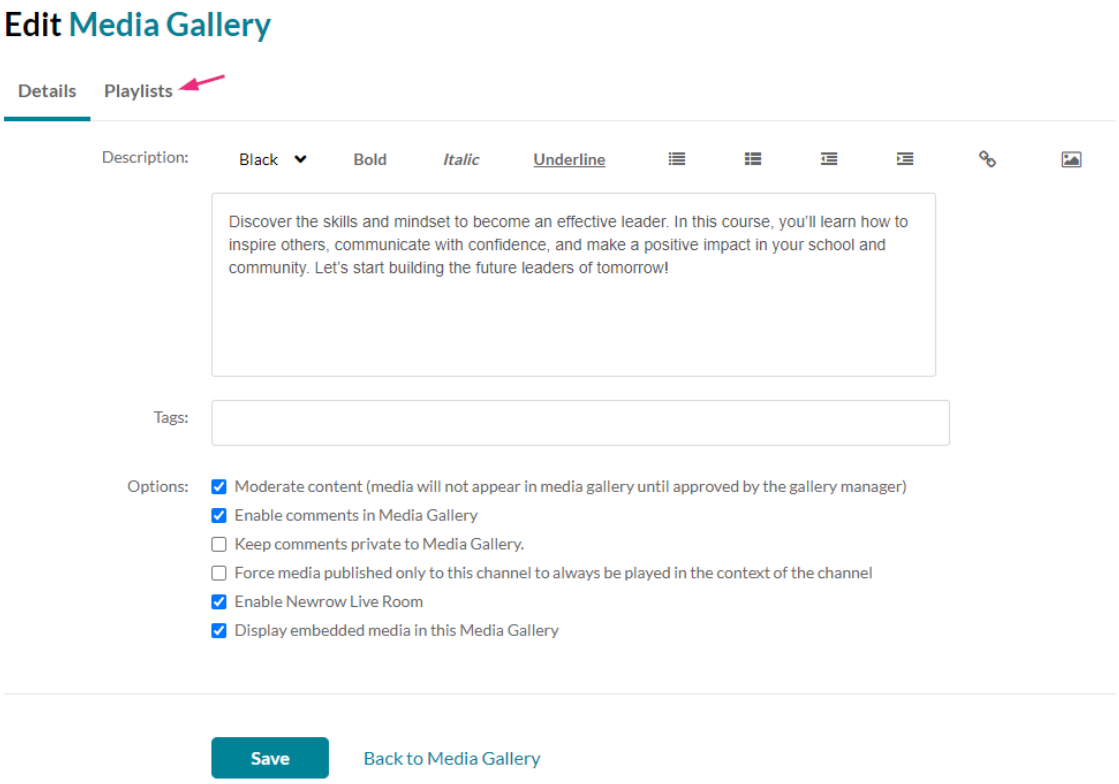

2. At the top right of the Media Gallery, click the hamburger menu and select **Edit**.

## Add media to your playlist

1. Choose the media you want for your playlist.

   You can use the search function to find the media you want to add, or use the drop-down menu. The menu includes the following two options:

- **My Media** - Select this to display media from your My Media library.
- **Media Gallery** - Select this to display media that is available in your Media Gallery.

2. Click the add button(s) ⊕ next to the items you want to add.

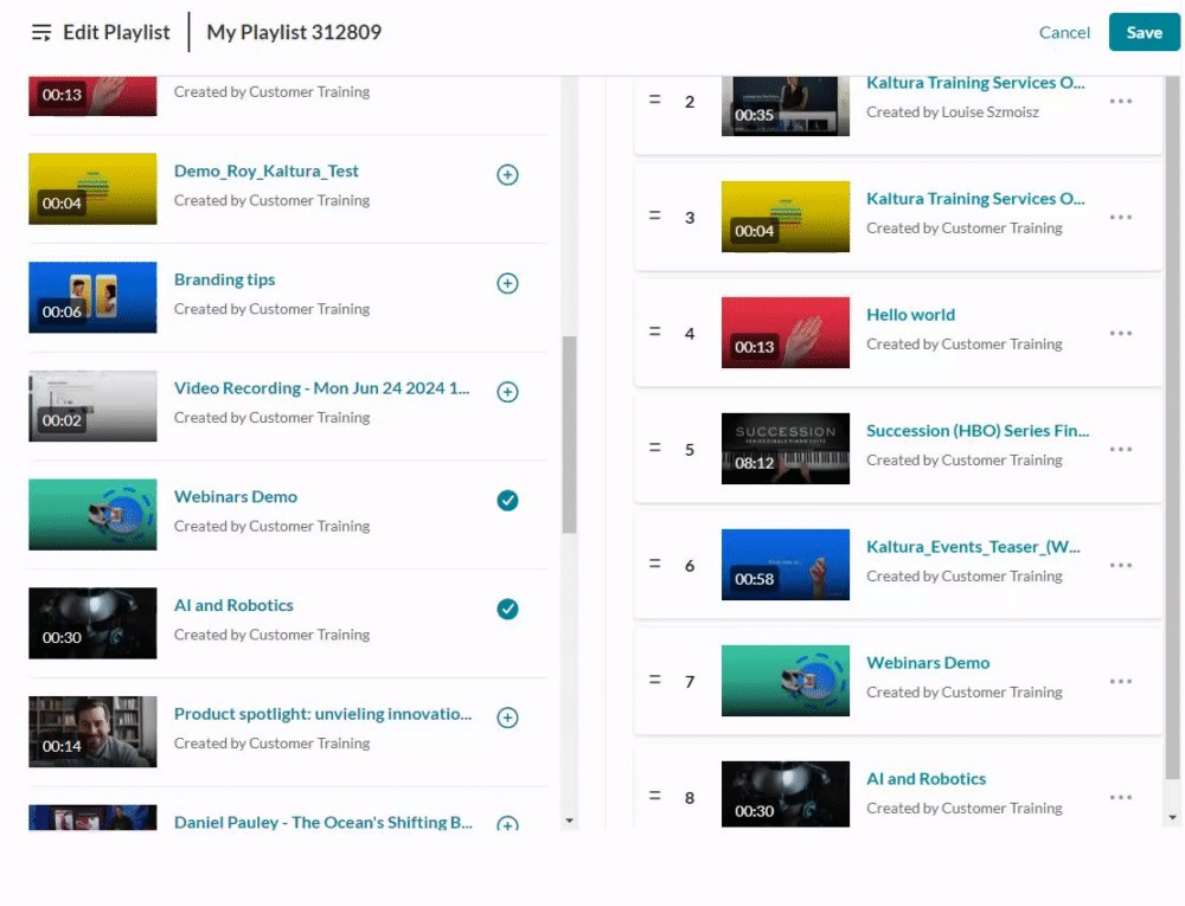

The selected items show a check symbol ✔ and move into the **My Playlist** column on the right. (If you change your mind and don't want that item, just click the check symbol ✔ to remove it.)

You can also click the **three dots menu** next to an item and move the item to the top or bottom of the playlist, or to remove the item.

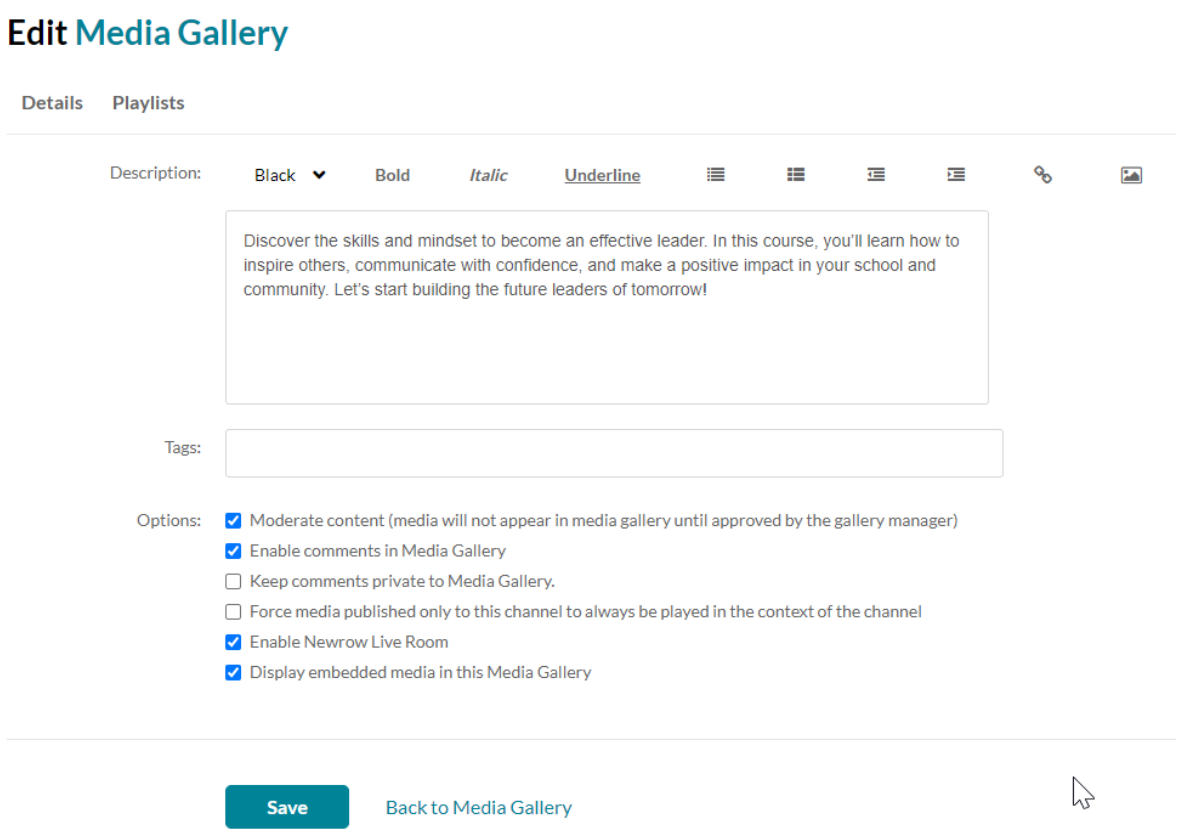

3. When you're happy with your selected items, click **Save**.
