About

Explore Kaltura's updated media page, designed to make your videos the main focus. With a clean, intuitive layout, it's now easier than ever to find and enjoy your content, all while offering a smoother, more enjoyable experience.

The instructions below are for Theming users. If you don't have [Theming](#) enabled, please refer to our article [Media page](#).

Let's check out some of its capabilities:

The screenshot shows a video player interface with several annotated features:

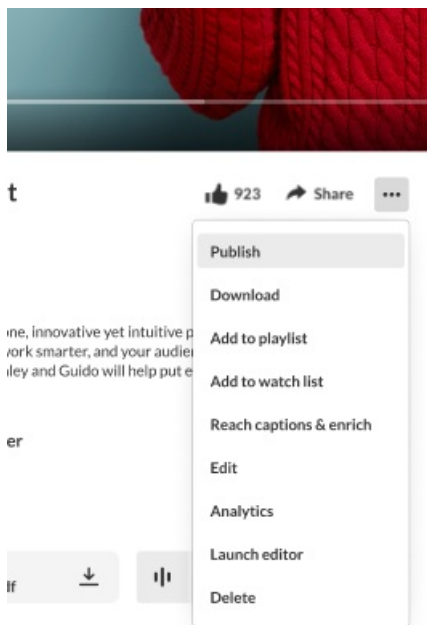

- Back button for navigation within the app:** A blue arrow icon labeled "Back" in the top left corner.
- Player capabilities:** A video player showing a man speaking, with a progress bar at 02:50 / 28:12 and various control icons (play, pause, volume, etc.).
- Title:** "Product spotlight: unveiling innovation and features"
- Owner, date, views:** "By [Eric Grant](#) • September 12, 2023 • 1.4 K Views"
- Information about the media:** A description of Kaltura Events and a "More Info" link.
- Attachments:** A section titled "3 Attachments" containing "Logo.png", "Brand Guidebook.pdf", and "Podcast.mp3", each with a download icon.
- Like button:** A thumbs up icon with "923" next to it.
- Embed button:** A share icon labeled "Share".
- Actions menu:** A three-dot menu icon.

Key features

- **Like** - Users can rate the video by clicking the "like" button.

- **Embed** - Clicking on the Embed button opens a pop-up window with options to link to media page, embed or share via social media.
- **Actions menu** - Click the three dots to open the actions menu.
- **Player capabilities** - Please see [Introduction to the Kaltura Player](#) for complete information.
- **Title of the media**
- **Owner, date, and number of views**
