 This article is designated for all users.

About

This guide covers how to edit and manage your media in your KAF application, offering options like metadata management, publishing settings, thumbnail customization, and more, so you can ensure your content is exactly how you want it.

You may lose some functionality if your display screen is under a certain width or when in mobile view.

The instructions below are for [Theming](#) users. If you don't have Theming enabled on your account, please refer to our article [Edit media](#).

Access the edit media page

If you cannot access your My Media Page content/actions or display editing tabs, as your administrator to give you the required permission.

From My Media

1. Access the [My Media](#) page.

The screenshot shows a list of three video items in the My Media section. Each item includes a thumbnail, a title, a description, and metadata such as 'VOD', 'Owner', and 'Plays'. The first item, 'Clip of Kaltura Training Services Overview', has a duration of 00:35 and is 'Published'. The second item, 'Kaltura Training Services Overview', has a duration of 00:04 and is 'Private'. The third item, 'Hello world', has a duration of 00:13 and is 'Private'. Each item has a 'three dots' menu icon to its right and an 'Explore' link.

2. On the My Media page, click the **three dots** to the right of the desired media and select **Edit**.

This screenshot shows the 'Hello world' video item selected. A context menu is open to the right of the 'three dots' icon, with a red arrow pointing to the 'Edit' option. The menu also includes 'Analytics' and 'Delete' options. Below the 'Hello world' item is another item, 'Kaltura training', with a duration of 00:06 and 'Private' status.

OR

1. On the **My Media** page, click on the thumbnail or title of the desired media.

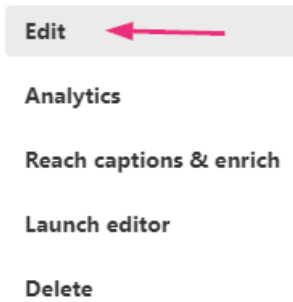

This screenshot shows the 'Hello world' video item. A red arrow points to the video thumbnail, indicating the first step of the alternative method: clicking on the thumbnail or title of the desired media.

The media page displays.

2. Click the **three dots** to open the menu.

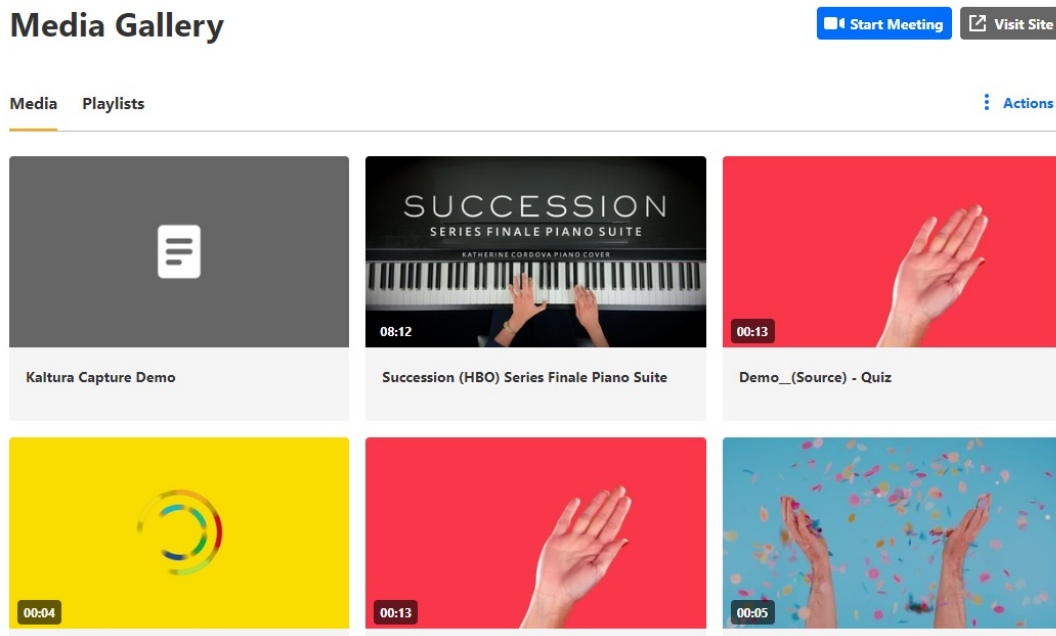

3. Select **Edit**.

From Media Gallery

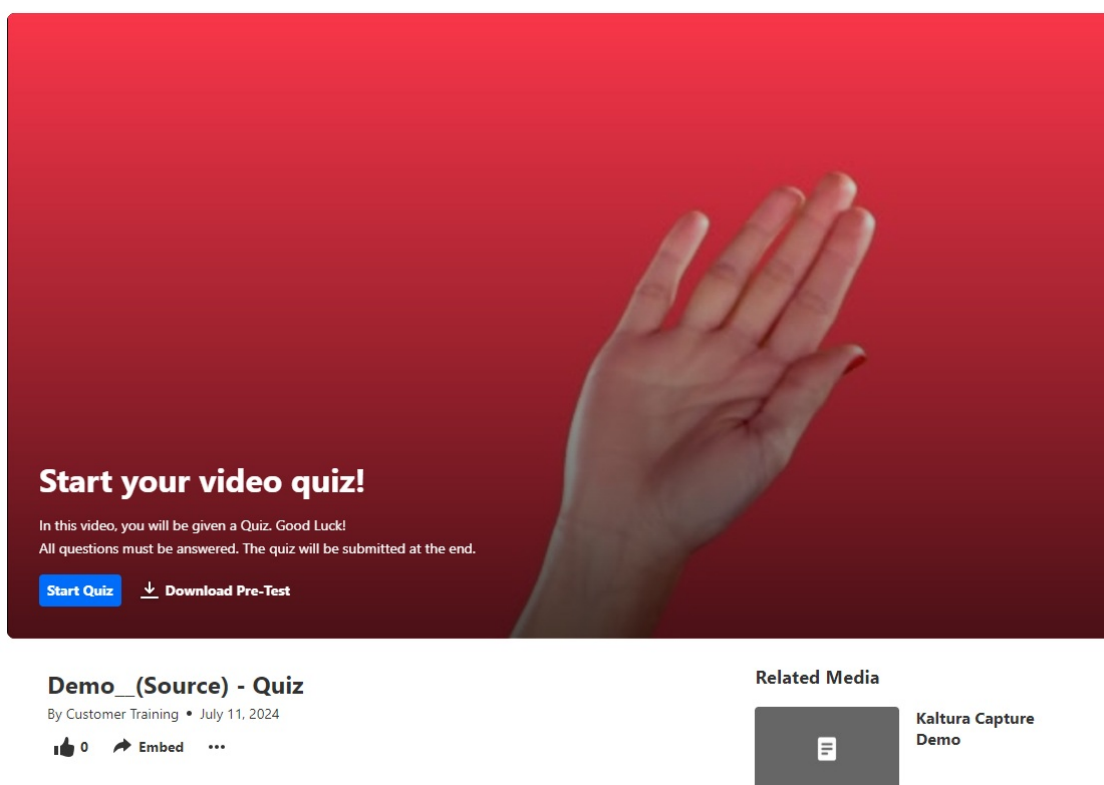

1. Access the [Media Gallery](#).

2. Under the **Media** tab, click on the thumbnail of the desired media.

The media page displays.

3. Click the **three dots** and select **Edit** from the menu.
