RSVP report for events

Last Modified on 06/29/2026 10:52 am IDT

This article is designated for all users.

About

The RSVP report provides RSVP information for attendees who registered for selected event sessions.

When generating an RSVP report for all sessions, the report is limited to **50** sessions.

Report contents

The RSVP report includes the following fields:

- media name
- entry_id
- first_name
- last_name
- title
- company
- email
- country
- role
- industry

See Analytics tab - Reports for instructions on generating and downloading this report.
