

RSVP report

Last Modified on 06/14/2026 1:30 pm IDT

 This article is designated for all users.

The RSVP report provides attendee RSVP information for selected sessions.

 When generating an RSVP report for all sessions, the report is limited to **50** sessions.

Data in the RSVP report includes the following:

- media name
- entry_id
- first_name
- last_name
- title
- company
- email
- country
- role
- industry

 See [Analytics tab - Reports](#) for instructions on generating and downloading this report.
