

Configure chat settings (legacy) for your Kaltura Room in Brightspace

Last Modified on 04/16/2026 12:29 pm IDT

 This article is designated for all users.

About

This article explains how to manage chat settings and configurations for a Kaltura Room session.

Learn how to access the Chat tab, assign chat moderators (in addition to room moderators!), and enable or disable features like Q&A and group chat for your sessions.

This feature requires the [ChatandCollaboration module](#) to be enabled.

Access the chat settings

1. Access the [edit media page](#) for the desired meeting entry.

Optimizing Content Distribution
