Can This article is designated for moderators and hosts

About

Kaltura's whiteboard is perfect for meetings, brainstorming, lessons and more. Designed for easy collaboration, it promotes engagement through visuals and active participation, providing a user-friendly experience. Whether you're hosting a meeting or brainstorming, the whiteboard is an excellent addition to your toolkit.

Display the whiteboard

1. Click the three dots on the bottom toolbar and select Whiteboard.

The whiteboard displays.

i

Only one whiteboard can be active at a time. Multiple whiteboards cannot be opened or displayed simultaneously.

Undo / redo

Click the **undo / redo** arrows to undo or redo previous actions.

i

Undo and Redo apply to the current session only. You cannot undo or redo marks from previous sessions.

Clear whiteboard

Clearing the whiteboard is only an option for Instructors / moderators.

- 1. Click the 3 dots menu at the end of the toolbar.
- 2. Select Clear whiteboard.

The whiteboard clears immediately.

Whiteboard view

Two backgrounds can be applied to the whiteboard: Line grid and Dot grid.

- 1. Click the **three dots menu** at the end of the toolbar.
- 2. Select Line grid or Dot grid.

The whiteboard updates immediately.

Collaborate

- 1. Click the three dots menu at the end of the toolbar.
- 2. Toggle on Allow participants to collaborate.

Zoom in / out

The zoom in / out control is at the bottom right of the screen. Click + to zoom in and - to zoom out.

🔆 kaltura

Delete

Instructors / moderators can delete any marks drawn on the whiteboard

- 1. Select the **Cursor** tool.
- 2. Select the object you want to delete.
- 3. Hit the **Delete** key on your keyboard.

Dismiss the whiteboard

To dismiss the whiteboard, click **Stop presenting** in the top right of the stage.

Stop presenting

Dismissing the whiteboard does not clear it. The whiteboard annotations are saved in the room until erased.
