Summary 1 - AI governance: Risks and safety

You may click the "Play" button to preview the video.

Notice the entry is separated into chapters. Hover over a chapter mark in the timeline at the bottom of the player and the chapter name displays. The name of the chapter that is currently playing is also listed at the bottom of the player.

You may click on the name of the chapter or the **Summary** button in the upper right corner of the player (highlighted below) to display the Summary and Chapters overlay.

The screenshot shows the Kaltura interface for a video titled "AI governance: Risks and safety". The video player is on the left, and the "Summary & chapters" overlay is on the right. The overlay is highlighted with a red box. The overlay contains a "Summary" section and two chapters: "Ethical Frameworks in AI" and "AI Risk Management and Safety". The "Summary" section includes a "Read as overview" button and a "Copy" button. The "Ethical Frameworks in AI" chapter includes a "Read as overview" button and a "Copy" button. The "AI Risk Management and Safety" chapter includes a "Read as overview" button and a "Copy" button. The overlay also includes a "Delete draft" button and a "Publish to media" button.

The Summary and Chapters overlay (highlighted above) displays the summary and all chapters generated for this entry in a "chapter" view, meaning the summary and each chapter is displayed in a distinct box, with timeline points for each chapter. You may click on a chapter name or on the arrow to the right of a chapter name to read more. Clicking on a chapter name also advances the player to that chapter in the entry.

You may click **Read as overview** if you would like to read the Summary and Chapters as more of an "overview". Clicking on a chapter name here advances the player to that chapter in the entry as well.

Click the "Copy" button to copy the text to a clipboard to share later.

Click the "X" button to close the Summary and Chapters overlay.

Provide feedback on a summary and chapters
