About

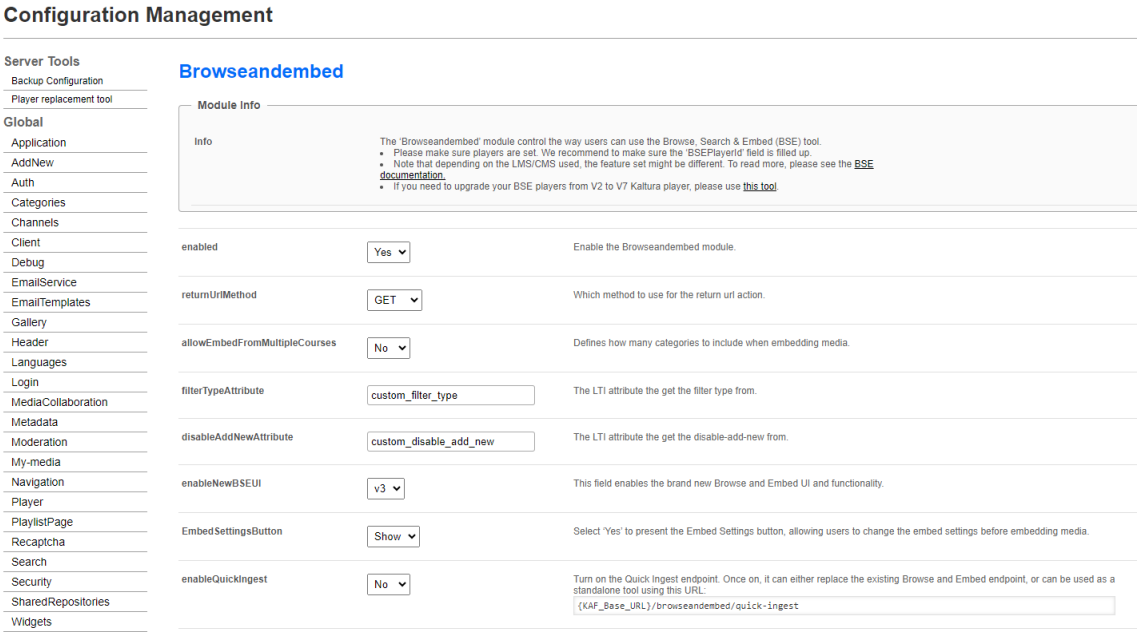

This guide explains how to enable Kaltura's media assignment submission tool in your LMS, allowing students to submit video assignments through the Kaltura embed workflow.

Configure Kaltura settings

1. Go to your Configuration Management console and click on the **Browseandembed** module. You can also navigate to it directly using a link: https://{your_LMS_base_URL}/admin/config/tab/browseandembed.

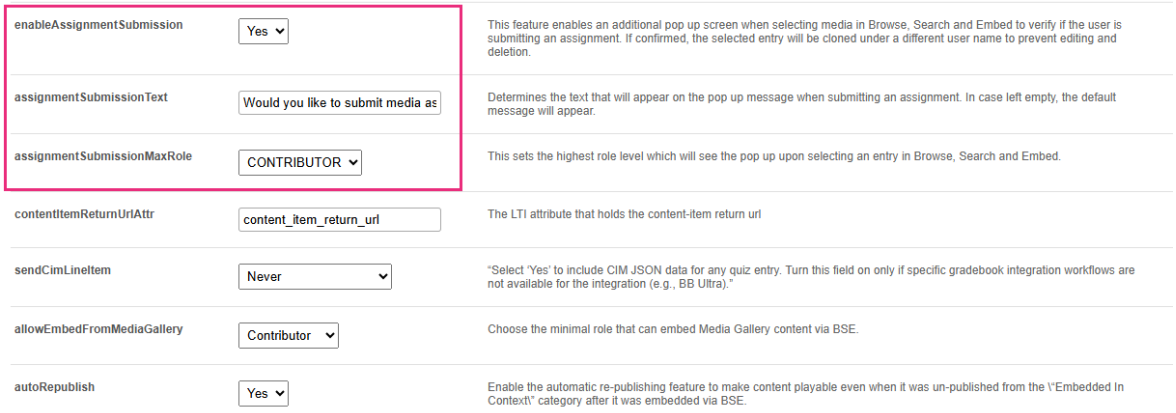

The **Browseandembed** page displays.

2. Configure the following settings:

- **enableAssignmentSubmission** - Set to 'Yes'.
- **assignmentSubmissionText** - This is the message that appears when students submit an assignment. The default text is: *Would you like to submit media as an assignment?* You can customize this message to fit your needs.
- **assignmentSubmissionMaxRole** - Set this to 'Contributor' to ensure students can see the 'Submit Media' popup when selecting an entry and clicking the 'Embed' button. (If you want users with a higher role to also see the popup, you can set it to a higher level.)

3. Click **Save**.
