 This article is designated for faculty members.

About

The Media Gallery is a centralized space within your course where you can organize and share multimedia content, such as video lectures, tutorials, or recorded sessions.

This article walks you through the steps for adding content to your Media Gallery, either by selecting existing media or uploading new content.

If you can't do some of the actions described here, just reach out to your KAF administrator to get the right permissions.

Access the Media Gallery

Access your course, then click on **Media Gallery**.

The Media Gallery displays with the **Home** tab open by default.

Your additional media will be presented once it is ready and approved. Refresh Now
