About

Media Gallery managers and moderators can approve or reject content when moderation is required before media is displayed.

Access pending media

1. Access your course, then on the left menu bar, click on **Media Gallery**.

Depending on your account setup, you might access the Media Gallery differently. See your Kaltura Administrator for further information.

The Media Gallery displays with the **Home** tab open by default.

2. In the Media Gallery, click on the **Pending** tab.

If there are no media items pending moderation, the Pending tab is not displayed.

The Pending page displays.

Search

You can use the search field and filters to find specific items. Your results will appear, allowing you to approve or reject as needed.
