## About

This guide explains how to add a Kaltura Interactive Video Quiz (IVQ) to your Moodle course and connect it to the gradebook.

## Add your quiz to Moodle

- 1. Create a video quiz in your My Media. (See Kaltura Video Quiz in Moodle for details.)
- 2. Go to your course.
- Under the topic where you want the quiz, click the blue Add an activity or resource button.

- 4. What you do next depends on your Moodle version:
- If you're using **Moodle 3.x**: Select **External Tool**, then click **Add**. In the Preconfigured Tool menu, choose **Kaltura Video Quiz** (or your custom tool name).

 If you're using Moodle 4.x: Simply select Kaltura Video Quiz from the Activities list.

The Kaltura media library opens.

5. Find the video quiz and click **Embed**.

## 6. Set your grade settings

7. Adjust any other configuration as needed, then click **Save and display**.

When students take and submit their quiz (see A user's guide to taking Kaltura video quizzes for more help), their grades are automatically sent to the Moodle Gradebook for that assignment.
