## About

This quick guide helps you upgrade your legacy Video Portal to Kaltura's Theming-based **Content Hubs** experience.

Content Hubs is the new name for Kaltura's redesigned legacy Video Portal experience. It introduces modern, Theming-based pages and workflows, including updated media pages, channels, playlists, search, upload flows, and customizable homepage experiences.

This guide explains how to enable the required Theming features and modules, and highlights the main UI and workflow changes introduced with Content Hubs.
