

# Conditional Entry Page URL - User Guide

Last Modified on 01/23/2026 7:36 pm IST

 This article is designated for all users.

## About

This guide explains how end users can use the button in a KMS entry page to navigate to a pre-determined URL.

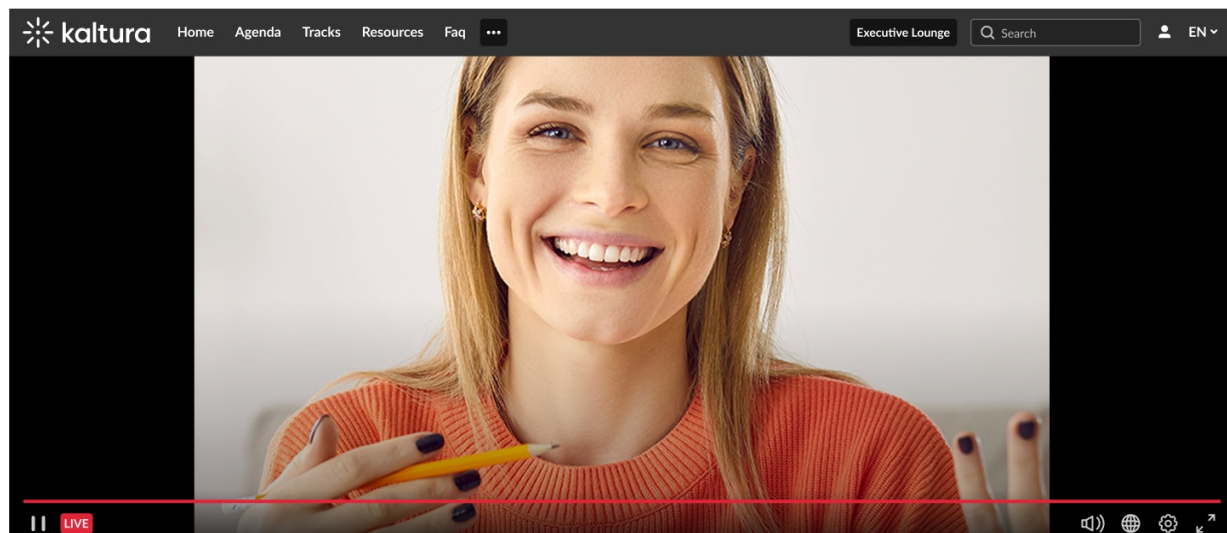

This module is for both Theming and non-Theming users.

For technical support, contact Kaltura Customer Care. For all other inquiries, reach out to your Customer Success Manager.

## Using the button

1. When you view media, you'll see a button on the media's entry page.
2. Simply click this button to navigate to a pre-determined URL.  
This example shows the entry page for a Theming user, with the button circled.
