i Legacy notice

This article documents the **legacy KME Room**. For information on the new room, please visit the [new Kaltura Room documentation](#).

Attention % is a value returned based on overall percentage of time the participant was focused on the session while they were joined.

Browser Focus provides Instructors and Moderators real time alerts when a participant is looking away from the virtual classroom, webinar, or session.

For more information, see [Track Participant Focus During the Session](#).
