i Legacy notice

This article documents the **legacy KME Room**. For information on the new room, please visit the [new Kaltura Room documentation](#).

You can launch either a private Live Room, or a Live Room associated to a channel from MediaSpace.

- Click on your username drop down menu and select “My Live Room” (Private Live Room option can be enabled by your Kaltura administrator).
- Go to a channel and click on the ‘Start Meeting’ button. (A Channel Live Room may be initiated by the channel owner/manager/moderator only).
