i Legacy notice

This article documents the **legacy KME Room**. For information on the new room, please visit the [new Kaltura Room documentation](#).

Yes, Kaltura Meeting is available both in MediaSpace and Kaltura Application Framework (KAF).

Two types of Live Rooms may be launched from **MediaSpace**:

- A private Live Room that is associated with a user ID.
- A channel Live Room that is launched by a channel manager or moderator.

In **Kaltura Application Framework**, each Media Gallery is associated with one dedicated Live Room that can be launched by the media gallery manager or moderator.
