

Can I remove a participant from the room?

Last Modified on 08/25/2025 7:30 pm IDT

Yes, you can remove a participant from the room by finding their name in the participant list, clicking the drop down menu next to their name, then clicking **Remove from room** to remove them from the room immediately.

Note, the participant can return to the room at any time so you may want to [Lock the door](#).
